COMOX VALLEY LANDS

Mr. M. S. Todd,  
Indian Agent,  
Alert Bay, B. C.

Dear Mr. Todd:

In reply to your letter of the 6th inst. in connection with the re-survey of Comox Indian Reserve No. 1, I might say it is rather difficult to state a positive figure as I may have to run the East boundary through more than once before I can arrive at anything definite as to where the correct position is, according to the original survey thereof.

I note what you say re employing Isaac Frank to help me. This would suit me fine but in addition I would have to have my own man, who is experienced in chaining and picketing.

Including all office returns, etc., I should estimate the cost of a complete re-survey at about \$100.00

With very best regards,

Yours very truly,

V. Schjelderup, B.C.L.S.
