

## INTRODUCTION

AS the Union Meeting under the auspices of the Brotherhood of Locomotive Firemen is to be held in the City of Ottawa, Capital of the Dominion of Canada, and that it is no ordinary event, it is the desire of the Committee to commemorate the gathering by the issue of a book that will remind the delegates, guests and visitors of their brief stay in the city.

It is particularly gratifying to the members of the Local Brotherhood that this city has been honored by selecting it for this Union Meeting.

This Souvenir is issued in the hope that it will interest the Delegates and visitors, and through it we welcome all our guests to the Capital, and trust that all who honor us with their presence will enjoy to the full their visit among Canadians.

To those of our patrons and friends who have availed themselves of our advertising pages, and others who have in various ways assisted in our efforts to make this gathering a success we tender our most sincere thanks.

THE COMMITTEE.
