ARRESTED FOR FRAUD

Edward Cahoe, of Chatham Township, appeared before Judge Houston yesterday to answer to a charge of fraud. Cahoe went to Gus Joseph's sale and asked the latter if he would accept his note backed by his mother for anything purchased. Gus said for anything purchased. Gus said that such a note was all right. Cahoe bought a cow for \$24. He then said that Joseph owed him for damage done to corn by Joseph's pigs and refused to give the note. Judge Houston found that there was sufficient evidence to convict and gave Cahoe a week in which either to return the low or give a note signed by his mother and also pay the costs of the Court—about \$10. The Judge said he would take these things into consideration in passing sentence.
