CHURCH NOTES.

Mr. Kingsford, of the Dominion bank, has lately been removed to O-hawa.

Miss Maud Haslam has gone to Clifton Springs, N. Y., in training for a nurse. We will miss her from St. Paul's, but trust her future may be bright and useful.

The Rev. J. McQueen Baldwin, B.A., lately returned from Japan, where he has been a missionary for years, is expected to visit Cannington, Cameron and Lindsay about the middle of June.

Mrs. Thos. Walters, who after much suffering, was called to her long home on May 18, had for several years been President of the Woman's Auxiliary of St. Paul's church, a faithful district visitor until her illness and an active worker in many branches of church work. She will be much missed, both from her home and the congregation, but we trust that God who removes the workers will carry on his own work; and one day comfort his people by uniting them in that land where His presence will forever drive away all sin, suffering and death.
