A. S. TURNER & SON'S AYRSHIRES (Continued from page 17)
Turner have all been made since that date, which serves to show how rapidly his herd has come to the front.

Mr. Turner's farm is one of the successful competitors in the Interprevincial

the highest in Canada for 7 and 30 days for a junior 4-year-old. Three of these cows were mature, three were 4 years old and one was 3 years old.—Aylmer Express.

PUBLIC TO PARTICIPATE IN CANADA BREAD COMPANY, LTD.
Toronto, Aug. 16.—Following on the successful organization here of Canada Bread Company, Limited, the new big company, which will have its modern plants in all the larger cities of Canada, Mesers. Cawthra Mulock & Co., members Toronto Stock Brehange, announce an offering of \$1,50,000 of the 5 per cent. first mortigace sinking fund thrivy-year gold bonds of the company at \$9.50, the same to carry with them a bonus of 25 per cent.

Proof is ever coming forward to substantiate that axiom, "Blood tells." This cow, Aaggie Mercedes, a junior 4-year-old, has established the new record for a cow of her age, 27060 lbs. butter in 7 days. She is a sister to Netherland Aggie KeKol, the cow that in 1399 completed the remarkable record of 21.666 lbs. milk in one year. Both cows owned by J. M van Patter & Sons, Elgin Co, once the control of the con

Farms Competition this year. At a later date in connection with the special series of articles descriptive of the prise farms, survey we shall publish in Farm and Dairy more about these Ayrahires and this farm.

about these Ayrshires and this farm.

MEETING OF MINIE A YPSHIRE CLUB.

The Menie Dittriet Ayrshire Club have arranged to hold a meeting at Mr. Wm. Stewart's Ayrshire stock farm, Menie. Ont., on Wedensday, Aug. 22rd. The program will include an address by W. F. Stephen at 19.9 a. m., his subject being "flow Best to Improve the Ayrshires by Theodorn and Feedings Bo That They Will Be Second to None."

At 1.00 p. m. Mr. Stephen will conduct a judging cless, using Ayrshires to illustrate desirable types of both males and females of different ares. Mr. Stewart's used in the competition.

All interested in Ayrshires in the five counties of Northumberland and Durham.

Canada Bread Company, Limited, starts
out with plants in Montreal, Toronto and
Winninge, and these will be added to
forthwith so as to bring the total output
of the different plants up to one million
ouves of bread per week before the end
of the company's fiscal year. The \$1.00.0

Mo being placed in the treasury will be
sufficient, according to Mr. Mark Brea
sufficient, according to Mr. Mark Brea

din, the vice-president and general man-neer, to gradually increase the company's outual to two million loaves a week, which would make an annual production of one hundred million loaves at a week, which would make an annual production of one hundred million loaves. On the present plants and additional ones that will be erected forthwith Mr. ones that will be erected forthwith Mr. year should amount to \$825,009, equal to year should amount to \$825,009, equal to over three and one-half times the inter-est requirements on the entire bond issue, and with its present capital should stead-ily expand until its earnings reach over a trequirements on the entire bond issue, and with its present capital should stead-ily expand until its earnings reach over a trequirement on the entire bond issue. And the present capital should stead-ily expand until its earnings reach over a view of making the bonds more particu-larly popular with small investors the company has arranged to issue them in denominations of \$100 as well as of \$500 and \$1,000.

Geo. Laithwaite, of Goderich, Ont., Mr. Geo. Laithwaite, of Goderich, Ont., who has been making arrangements to hold an auction sale of his Jerseys, writes Farm and Dairv that he has recently sold a car load of his Jerseys. His remaining stock will be placed on the market about 15th of September, the date being not yet fixed. He will have 25 pure-bred Jerseys to offer and also 8 horses with coits; 5 sows with litters and 20 other pigs.

There is a report of Black Rust doing serious damage to our wheat crop. It will be too bad to have such a splendid crop injured at this stage.—L. J. N.

It pays to advertize. Try it.

## 160 ACRES of

## SETTLER

Large areas of rich agricultural lands, convenient to railways, are now available for settlement in Northern Ontario.

Ontario.

The soil is rich and productive and covered with valuable timber.

For full information regarding homestead regulations, and special colonization rates to settlers, write
