**IMPORTANT TRUTH**

FOR STOCK RAISERS.

**LUMP JAW** has been transformed from an incurable to an easily curable disease. The entire credit for this wonderful result is due to

**Fleming's Lump Jaw Cure.**

When this remedy was discovered no other real cure was known. No other positive cure is yet known. FLEMING'S CURE was first introduced in Saskatchewan, and from there its reputation has spread over the entire continent. It is the only remedy endorsed by leading ranchers, shippers, and stock journals. It is positively guaranteed; money is returned if it fails. One bottle usually cures one to five cases.

Like all other articles of exceptional merit, it is imitated in external respects, but these imitations wholly lack the distinctive qualities of the genuine.

GET FLEMING'S LUMP JAW CURE AND BE CERTAIN OF RESULTS. PRICE, \$2.00.
