**The Thalberg Piano.**

This celebrated Instrument, with all the most recent improvements, is still offered to the user at the extremely low price of Two Hundred and Ninety dollars (\$290 00.) As competition and bad times cut down the prices and reduce the quality of current instruments, the cash price of THE THALBERG IS MAINTAINED and THE QUALITY IS IMPROVED. The instrument is only offered to those "who mean money"—those who can pay cash and who want a bottom price. The "Long Credit people" need not apply as the instrument is put down to meet the cash buyers. Families who are thinking of purchasing a piano, and who are canvassed by agents, can save themselves much annoyance by remitting a bank draft or P.O.O. for a THALBERG direct to the wholesale agents. They may have to wait a few weeks, as all instruments are shipped direct from the factory, the Company seeing that each instrument is put up and tuned. A guarantee is given with each instrument securing the utmost satisfaction. If no agent solicits your order for THE THALBERG (full 7 1/2 octave instrument), write direct to the agents. Now is the time to order!
