NEW MAP OF MANITOBA AND THE NORTH WEST TERRITORY.

This Map has been prepared with great care. It is based upon the celebrated Maps of Arrowsmith, but has been brought up to the latest period by adding all the information contained in the various Reports to Parliament and publications of the Government of Canada. It is an engraved map and possesses all the advantages which engraved work has over photo-lithographed work. It is clear and distinct. The territory covered extends from Lake Superior to the Pacific, and embraces Kewatin, Manitoba, the North-West Territory and British Columbia. The map is made to a scale which renders it portable and convenient for travellers, while securing accuracy and clearness. It is the best Map of the North-Western country in the market.
 Price mounted on cloth and folded in case, \$3.00, or in two sheets, \$1.25.
