

HENDERSON, MULLIN & CO.,

136 Yonge St. and 12 & 14 Adelaide St. West,
TORONTO.

Begin to tender their thanks to their numerous customers, both in the city and country, for their very liberal support during the season which is just past. When the time for general house cleaning comes round again, we hope to see an increased patronage.

We now call your attention to the following facts. We can do your house painting for you; we can paint your Rooms to match your Papers, or we can fresco your rooms in the very latest style of Art. We can hang your Wall Paper; we can calomine your walls and ceilings; we can paint your walls and ceilings; we can tell you which is fashionable and which is not fashionable.

Why can we do all the above better than any other house in the trade? because we have had over twenty years' of practical experience, as well as a natural taste for such work; because we keep the best workmen in the market.

We respectfully ask the Ladies and Housekeepers of Toronto and throughout the country to give us a trial.

Church Work and Church Decorations a Specialty either in Fresco or Paper, or both.
