

EXCLUSIVE Tubular ADVANTAGES No. 8

Perfect Separation

Perfect separation not only means the "most butterfat" but means the delivery of the smoothest velvety cream, unfrothed and unchopped.

Exclusive Tubular Advantage No. 8 is the means that insures "perfect separation," both as to clean skimming and the production of smooth, velvety cream. Our Catalogue tells you the scientific and mechanical reasons why.

To convince you that the Tubular skims the cleanest, we offer to place one in your dairy and guarantee to cut in half any record any other machine may be able to make.

If other makers could make separator bowls like the Tubular, there would be no other kinds made. It is absolutely the most perfect bowl ever invented. If it were not, we could not make such a broad guarantee as stated above.

Now you want the best, don't you? A postal brings Catalog No. 186, giving more fully this broad guarantee. Write for it today.

A \$5.00 Bill Will Bring YOU THIS COLLAR—

Mr. T. H. Atkinson says:—"I take great pleasure in recommending this Rope Rimmed Collar to others as I have five in use now, and the last one I purchased has given me an extra horse to use as he was useless until I got the collar owing to a sweeney. Knowing that this testimony is going to be made use of, I take pleasure in stating that I have dealt with Mr. Stewart for the last three years and have found him reliable in every respect."

NO MORE SORE SHOULDERS. If you have a horse unable to work from a sore shoulder you need this collar. It will give you the use of another horse. This collar is made throughout by hand, is of superior workmanship, and is very flexible, readily adapting itself to the peculiarities of the shoulder. Hundreds of these collars are in use in the Regina district alone and are giving entire satisfaction. You can't afford to be without this collar during this busy season. Send me \$5.00 for a trial collar and you will never regret it.
