

ADVICE TO WEAK MEN!

Don't Drug. Use Electricity.

THE OLD WAY

Experience is a dear School, but some men and women will learn in no other.

If you would apply the same reasoning faculty to your efforts to regain your health that you do in your other pursuits, you wouldn't make a drug shop out of your stomach.

Ever figure up what it has cost you experimenting with drugs and nostrums to get back your health?

Of all the fool notions that ever got into the human mind is the idea that there is, or ought to be, somewhere in the universe, some mineral or vegetable compound that will cure each and every ill to which human flesh is heir.

That's all bosh, but as long as the idea exists, poor, deluded mortals will continue to dose their stomachs

and it's this delusion that creates a market for carloads of 'dope' in various forms that every year are manufactured and sold throughout the country.

Said one of America's greatest statesmen, who was a signer of the Declaration of Independence: "The best doctor is the one who knows most about the worthlessness of drugs."

Break away from drugs and doctors, and use Electricity for just ten days. Get the Dr. McLaughlin's Electric Belt. [Give us a chance for just a few weeks and we will make a new man out of you.]

It's a safe bet that your weakness, your pains and aches, can all be traced to lack of vital tone in your system. Animal vitality—Electricity—Magnetism—these are all one and the same thing.

Let us give you back this power and your troubles will take wings and fly away.

Strengthen your body-guard! Build up your nervous power! Your body-guard is the ten million nerves and tens of millions of little nerve cells that compose your Nervous System. It's the Electricity in these nerve cells—the little "storage batteries"—that runs the machinery of your body.

Read some of these samples of letters we get every day by the score from people who have used this grand remedy:

Mr. Wm. Cheshire, Eagleton, Man., says: "Your Belt cured me completely of Rheumatism, and will do anybody good if they will follow your directions given with the Belt."

Mr. G. Herman, care of W. Wardrop's Camp, Whitemouth, Man., says: "I am glad to say that my health is much better than before wearing one of your Belts. I should not like to be without one now."

If you are skeptical, all I ask is reasonable security for the price of the Belt, and

When You are Cured Pay Me

If your stomach is weak, your bowels irregular, your liver torpid, your kidneys bad, your circulation sluggish, if you suffer from pains or aches, sleepless nights, mental or physical debility, if you are troubled with lame back, weakness, drains, despondency, if you lack Energy and Vigor, what you need is more life, more Electricity in the cells of your nervous system, and this you can get from our Electric Belt, if you use it as we recommend, and not from drugs.

Call and have a talk with us, if you can; if you cannot, cut out this coupon, send us your address, and we will mail you our beautifully illustrated page book, which points out the quickest and surest road to health.
