

A Quick, Bright Seller!

*A healthful food product—representing the best form of nourishment—at low cost*

**E**VERYBODY who has tasted *Davies Pork and Beans* says: "Fine! Couldn't be nicer!"

And no wonder. These beans are all hand sorted; and finer, sounder, firmer beans you couldn't wish for. Carefully cooked and accompanied by a tasty piece of choice pork they're simply *delicious!*

We put them up in attractively labelled tins in three sizes—1's, 1½'s and 2's (11 oz., 16 oz. and 20 oz.) and in addition to being steady, "all-the-time" sellers they lend themselves admirably to effective window and counter display.

Order a few cases and watch your sales grow bigger! We sell them plain or with Tomato Sauce (put up in 2 doz. to the case).

Let our Traveller take your order—or send us a postal card.
