## Investigate And Be Amazed

The live man, when he wants money, does not content himself with wondering where it's coming from. He looks around for that spare time occupation which will yield him the largest return.

Hundreds of farmers at the present time are devoting a few hours each week to an aggressive, enthusiastic effort to widen the influence of The Guide and are making money for themselves at the same time.

You by acting now—today—can be appointed as our representative. If you can use real money, say so. Don't hesitate—don't delay a minute. It only costs you a postal to find out all about our proposition. One Guide Agent the other week earned \$9.00 in a single afternoon. We will make it worth YOUR while, too, if you will write at once to
