(Signed) GORDON DRUMMOND, Administrator in Chief.

The Administrator in Chief acquaints the Legislative Council, that a representation having been made to him by the Commissioners appointed to superintend the repair of the Court House of the District of Quebec, that the walls of that building were not sufficiently strong to bear the addition of a third or attic story upon them, as was contemplated by the Legislature in passing the Act of the last Session providing for this object, he acceded to the recommendation of the Commissioners that the sum appropriated by the Legislature for the erection of a third story, should be applied to the extension of the building by the addition of wings, which has accordingly been done.

The Administrator in Chief has caused to be annexed hereto, for the information of the Legislative Council, the Statement of the Commissioners, and the Report of the Architects on the survey of the Court House.
