*Extract from a Report of a Committee of the Honorable the Executive Council on matters of State, dated 24th April, 1851, approved by His Excellency the Governor General in Council the same day.*

“On the Despatch of Earl Grey to your Excellency, dated 14th March ulto., No. 569, stating that Her Majesty’s Government are prepared, on certain conditions, to recommend to Parliament that Imperial credit should be employed to enable the Provinces of Canada, New Brunswick and Nova Scotia, to raise upon advantageous terms the funds necessary for the construction of the Halifax and Quebec Railway, the Committee of Council are respectfully of opinion, that the suggestion of Earl Grey, that a deputation from the Executive Councils of the two Lower Provinces should proceed to the Seat of Government in Canada, in order to confer with your Lordship and with your Council, for the purposes of coming to some agreement in this matter, which, after being approved by the Legislatures of the several Provinces, might be submitted for the sanction of Parliament, should be adopted.

“The great work, in the construction of which the Imperial Government is disposed to lend its powerful aid, has already been sanctioned to a certain extent by the Canadian Parliament.

“Any new proposition from the Imperial Government is entitled to the fullest and most respectful consideration, and the Committee of Council entertain no doubt that the respective Governments of Nova Scotia and New Brunswick will be prepared, on the invitation of your Excellency, to send deputations to consult with your Excellency in this City without unnecessary delay.

Certified.
