ANOTHER DISCOVERY.

Of Interest to Bicycle Riders.

A well known bicycle rider has made a discovery that will be good news to all who locomote on the wheel. He says:

Since I first began to ride a wheel, which is several years ago, I have been subject to more or less chafing and irritation. Sometimes when heated the itching inside my legs would be so severe that I would feel compelled to forego riding for a time. Nothing that I tried did any material good until my attention was drawn to an advertisement of Dr. Chase's Ointment for all itching of the skin. I tried it and almost from the moment it touched the skin the itching stopped. I also find its occasional use prevents chafing. Further evidence of the efficacy of this preparation is given by Chas. Roe, foreman Central Press Agency, Toronto, who was troubled with Itching Skin of the most aggravated kind. When the skin became heated during sleep from too much clothing, would wake up with absolute pain from digging into the flesh with his nails. Chase's Ointment gave relief from the first application and permanently cured. Price 60c.

For sale at the Peoples' Drug store by J. A. Wilson.

I find the people around here prefer Dr. Chase's Kidney-Liver Pills to any other I have in stock. They are a wonderful Pill. Send 3 dozen at once, I am nearly out. P. S.—Send by post J. W. Ireland, Gotrock.

A WARNING.—If, on blowing the in the morning, lumps and flakes are discharged, colored with blood, especially on one side, lose no time in applying a remedy. Catarrh of the very worst kind has become seated, the walls are sore and full of small ulcers, and if not soon cured will be hard to cure and eradicate. "A stitch in time saves nine." Use Chase's Catarrh Cure.

What is concealed in Philadelphia to be one of the most desirable building sites in the city has just been purchased by The Ladies' Home Journal. The property is located at Sixth and Walnut street, which means that it fronts on two of the most beautiful Squares in Philadelphia, the famous Independence Square on the east and Washington Square on the south. The land acquired includes five properties. On May 1st, next, the houses thereon will be torn down to make room for a building costing \$250,000, to be solely owned and exclusively occupied by the Journal. The building will require two years in its construction.
