FROST LOCKS

Make a Fence of Strength

The heaviest, strongest wires made can't make a strong fence unless the locks are as strong as the wires. A fence, like a chain, is only as strong as its weakest spot. The New Frost Lock and Frost Wedge Lock are the most unyielding parts of a Frost Fence. They make the whole fence as strong as the strongest wire.

We guarantee to repair—free of charge—

any Frost Fence that goes wrong

LOGIC.

You know a good thing when you see it. But do you know a better when you see it?

It is easy to know a good thing. Five cents is a good thing. But the goodness there is in five cents can never be enjoyed till you spend it. And you don't spend it till you know something better than your five cents, therefore it is as much in your own quick insight and keen perception as in the money itself.

If your good sense tells you that a better thing than your five cents is a horse car ride over that long dusty road you are travelling, you are indebted to your own sagacity for at least half the benefit you enjoy by the exchange.

Then what you and all the rest of the world seek is something that is better than your money, so that in the spending of your money you will get more than its value.

Is there anything that you can buy just at this time of the season that will give you more satisfaction than a dish of our delicious Ice Cream, or Ice Cream Soda.

We deliver Ice Cream at your home packed in ice at 25 cents per quart.
