

# FIRST GAME SATURDAY FOR HILL CHARITY CUP

Great Interest Taken in Football Game to be Played This Week—Proceeds for Tuberculosis Hospital.

Next Saturday the first match for the John Hill Charity Cup will be played at the Tutela grounds between Eons of England and Cockshutt's United. There should be a large attendance at this game for it is for a good cause and as there is not means of charging any admission, those in charge of the game will take up a collection among the crowd and depend upon their generosity for the "gate receipts." Both teams are rounding nicely into condition and the Hill Cup series are concerned, as the card. The Sons of England are very anxious that they should capture this game and their worthy opponents from the play factory are equally as anxious for victory.

The teams will jump into the game the minute the whistle blows, and those who take the trouble to journey to the Eagle Place grounds should be amply repaid for the trouble. The game should be fast and will no doubt be a strenuous one for the reason that the team that is defeated is down and out as far as the Hill Cup series are concerned, as the winner will with some other team, and so on down the line until the cup is won.

G. Gentry, who's wide knowledge of the game is well known in the city, will referee the match and he can be depended upon to keep the players well in hand and keep the game on the go and not allow it to lag.

There are two things in connection with the football league in the city that stand out very prominently, that is the good feeling among the players of the different teams and the clean-playing of the players during a match. So far, no case of undue roughness has been reported and this is a good point in favor of the footballers. The league officials requested that the games be all clean and have instructed the referees to that effect. The players have so far responded to this request. As long as the teams play clean football, they will assuredly have the support of the football enthusiasts and other people in general.

The game will start at 6 p.m. which give those who attend the baseball game in the afternoon plenty of time to get to Tutela Park to see the game.

The boys are all playing the game for the love of it, and deserve the hearty support of citizens who will no doubt turn out strong to this game as the proceeds "The Collection" or the pass round of the hat will be given to the Tuberculosis Fund. So it is up to all who can possibly attend the game to be there and drop a quarter in the hat.

Remember the date, Saturday, May 10th. Remember the place, Tutela Park. Remember the teams, S.O.E. vs. Cockshutt's United. Remember the cause, Tuberculosis Hospital Fund.

## TO SEE WORLD AND BUY RANCH IS AMBITION OF McCARTY

"I Don't Wish to Fight all my Life"—McCarty.

CHICAGO—"I don't wish to be a fighter all my life. I hope to make enough money in a few years to buy a ranch and settle down. But before I do this I want to make a trip around the world to see what other countries look like. Billy McCarty says I'm too young for such a trip, but he's forty years old and hasn't been around the world yet. So if I follow his advice, I'm a gracious only knows if I'll ever make the trip."

**Self-Styled**  
Seated on the table on which he had just been rubbed down and swinging his feet in schoolboy fashion, Luther McCarty, the self-styled champion white heavyweight of the world, who is cow-boy in his heart, a youth in manners and mind and an anarchist in all things, replied to a query by a reporter as to whether he intended to go to Europe to show the Englishmen and Frenchmen how well he can box.

McCarty had just concluded a strenuous day's training and a three-round bout with Al Kubiak. He had been working like a beaver using all his strength. After it was over he showed no signs of distress. Kubiak was puffing and blowing like a walrus after his hard exertions, but Luther to use a turfman's phrase "did not puff enough to blow out a candle."

**Good Lungs.**  
This was visible proof of the fact that he has powerful lungs and that he can go a long hard battle without being distressed.

McCarty is nothing if not spectacular. He loves the limelight. Publicity is as the breath of life. Conf-

the Canadian League here to-day. The members of the city and county councils have accepted invitations to be present and a large crowd is expected. The players are in splendid condition and expect to win from Hamilton. Ex-Mayor Thor will pitch the first ball. Following is the team:

Wiltse, s.s.; Cook, 2b.; Wright, r.f.; J. Shaffer, l.f.; Dunn, m.; Behan, 3b.; Brady, 1b.; Daniels, c.; Schaefer or Schuyler, p.

**Manager Ort Indisposed.**  
ST. THOMAS, May 7.—The Saints open in London to-day and are confident they can take the opener from Denau's organization. Manager Ort is still indisposed and troubled with sore feet, and will, therefore be unable to participate in the game. To-day Outfielders Craven and Killingsworth were released. The line-up will be as follows: Gurney 1b.; Seenev, 2b. Forgie, s.s.; Wright 3b.; Kopp 1b.; Kustus m.; Loranger r.f.; Power c.; Howick p.

**For the first time this spring** the Brants looked at themselves yesterday afternoon when they jumped into practice full of confidence.

The boys displayed great form and have taken new life and from this out will make things hum.

"What a difference a few hours' make," was once a popular saying and the same can be applied to the Red Sox, for what on Monday looked like a broken down outfit in a few hours was transformed into a fine looking team.

Wagner seems to be the man with the steam, and is going at an awful clip, but he has now a side partner who will keep him company.
