SIR WILFRID'S SHIFTING ON TARIFF QUESTION

Free Trader in the West and Protectionist in the East -Famous Letter to Bertram in 1896-Hon. Mr Murphy Turns Down Civil Service Commission-Makes the Appointments Himself

| eraged 23.2; the new rate 27.7; an Laurier's Free Trade Record. Sir Wiifrid Laurier has been telling increase of \$4.50 on every \$100 worth the farmers of the west how firm a imported, or an advance of nearly 20 examination for teachers' diplomas free trader he is. That is the sort of on the old duty. talk which he used in great profusion The same is the case in the manubefore 1896, when the Liberal party factures of flax, hemp and jute; here diplo was out of power. The line which he also Britain supplies nearly all the and the marks of unsuccessful candiand seek to convict all the low tariff up from 17.5 to 20.8 per cent, an in possible date by the Department. elements that he was a convinced free crease of \$3.50 on every \$100; or an trader; then, just before the election, advance of thirteen per cent on the to assure the manufacturers that they old rate. had nothing to fear should the Liberal Here are the other cases: party come into power. The word

could fly about through a small num- tariff,) ber of manufacturers almost at once, while the change of front would not be Cotton manufactures 20.8 21.9 5.2 grasped by the great masses of per Drugs, dyes, etc. 14 16.6 10. sons to whom he had avowed his free Leather man. 11.7 12.0 2.8 on June 23rd. On June 2nd just three pear pretty steep when they are mainsome sentences from it:

"The intention of the Liberal party trade. is not and never has been to establish absolute free trade in this coun- a free trader.

"The question was discussed at Ottawa, but after anxious consideration, them. while fully recognizing the superiority of the British system of freedom of Policy. trade as an abstract principle, the convention came to the conclusion that under the existing conditions of our country, the fiscal policy best ad manufacturers. apted to its requirements, its economic situation, its enormous financial obous important particulars. ligations, is a revenue tariff."

1903: He claps on the surtax.

Mr. Murphy Again.

"I submit also that, apart from the ommunity as a whole, the manufacbut much to gain from the substitution that he is working gradually towards Wyatt, Dorothy Wyatt. of a revenue tariff for the present low duties.

come a change of policy on the lines

before election day that he would be piece of utter dishonesty. even more favorable to them then the Conservatives had been. By that method he conciliated a good many of the manufacturers. He got in. What happened?

icy. As the time went on, did he seal For some time the reformed system down the duties in his gradual march of appointments, which Mr. R. L. Bortowards free trade? His first tariff den forced on the government, has was made in 1897. In 1907, the tariff been in effect, and when a department then being ten years old, he revise it downwards? Again it. Did he revise it. Di -let us see. Here are a few general who advertise for help and select the classes of manufacturers:

	Old N	lew In	creas
Iron and steeel manufacturers	24	24.6	2.2
Earthernware and	30	30	
Woolen goods		34.5	•••
Flax, hemp and jut manufactures	27.4	29.1	
Silk man.	30.3	30.5	0.5
Paper man.	31.3	31.6	

The foregoing are rates under the carried his point. The appointments general tariff. There also were in- will be made by him. The Civil Sercreases on goods imported under the vice Commission is good enough for British preference. For example the the other ministers, but not for Mr.
