IT IS UP TO YOU

To protect your family from the ravages of
disease and infection, and the rigors of winter,
to make your home the abode of Health and
Happiness.

Statistics tell us that there were over 250,000 deaths in North
America last year from fever and pneumonia; over 90 per cent of
these cases were traceable to outdoor closets, and all the result of in-
sanitary conditions.

Are you going to allow this terrible death rate to continue? Why
not insure health by installing a "Parky" Sanitary Chemical Closet?

Absolutely sanitary and odorless, carries the endorsement of
Physicians and Health Officials, and our own iron-clad guarantee. Re-
quires no expensive water system, no plumbing, no sewage. Can be in-
stalled in any part of your home at the cost of a few minutes of your spare
time. Lasts a life-time and costs less than a cent a day.

"Parky" Chemical has been proven by bacteriological test to be the
most powerful Disinfectant, Deodorant and Germicide known to Science.
