NEW POTATOES.—Mr. Benj. Ward, of Long Island, has our thanks for the first new potato for the season, received on Saturday last.

Now.—We would like to receive news from all parts of the County. Can't you let us know what is occurring in your neighborhood?

ACKNOWLEDGMENT.—Since last issue the following contributions have been paid: R. A. C. Barber, Lockport, \$1.00; Mrs. S. McKee, Wolfville, \$1.00; Rev. T. A. Hughes, Wolfville, \$1.00.

WEATHER.—The weather this week has been very dull and remarkably cold for the time of year. Haymakers have been able to do very little, and are looking forward to brighter weather.

Best time, \$1.50 per Cask. R. Prat.

CAMP MEETING.—The adv. of the Methodist Camp Meeting Association appears in another column. The annual meeting which begins on the 31st inst., are expected to be of the usual interesting nature and will no doubt be largely attended.

Mrs. J. L. Murphy, of Wolfville, is visiting her mother, Mrs. J. L. Murphy, of Wolfville.

Wine, Fenugreek, plain and barbed, and poster. WALTER BROWN'S.

ATTRACTION.—We understand Mr. Frank A. Dixon, of this place, is in the future set as correspondent for Messrs. J. C. Houghton & Co., apple receivers, of London and Liverpool. Mr. Dixon will keep posted through the season by cable telegrams, &c., and will be glad to give information to those desiring it.

Try Standard Cabbish. Choice Table Butter, &c. R. Prat.

St. John's Church, WOLFVILLE.—Sunday next, July 14th, service a usual at 11 a.m. Sermon by the Rector on the following subject:—The name of Christian; its origin and history; what it is a protest against; what it implies as regards the Saviour; what it pledges His followers to. Text: "The disciples were called Christians first in Antioch."

Line of Cakes Green-d Line \$1.50 each. S. R. STEEP'S.

MINUTES.—At the regular monthly business meeting in the Baptist church last Sunday evening Dr. Higgins announced that three members of this church would soon embark for the most fertile and most beautiful among the Tropics, viz:—Mr. Walter V. Higgins, Miss Bettie Fish and Miss Edith Chipman. This certainly speaks well for the missionary spirit of the church.

A full line of Bibles of all kinds at WALTER BROWN'S.

LECTURE.—Mr. T. M. Lewis, lecturer of the Grand Division, will give an address in Witter's Hall, on Sunday afternoon next, at a clock. The subject will be especially adapted to the Lord's Day. An opportunity will be afforded to contribute to the agency fund of the Grand Division by a silver collection. It is hoped that a large number will avail themselves of this opportunity of lending to a stirring address by a popular speaker.

Pas, Corn, Tomatoes, Blueberries, Glass, Mince Meat, 15cents. R. Prat.

AGREEMENT.—Master Clinton Shaw, son of Mr. J. M. Shaw, of this place, met with a painful accident on Thursday of last week. A playmate threw a stone which accidentally struck him in the forehead, inflicting a dangerous wound. The assistance of Dr. Bowles was required and several stitches had to be put in. He is now doing well as could be expected. Teachers and parents should do all in their power in trying to prevent this very dangerous practice of throwing stones which is too prevalent.

Auction.—Rev. G. F. Day sells his personal effects to-morrow at 2 o'clock. Bargains may be expected. Go to Payzant's for Dentistry.

DEEDS.—The total amount collected in duties at the different ports in this county for the fiscal year ending June 30th, amounted in all to \$13,425.52.

SURE BOND.—A writ has been issued against the Windsor & Annapolis Railway, claiming \$5000 damages for the death of Dr. Benj. Pratt, at Windsor, on the 4th July, 1888. The deceased was knocked down and run over by a train. The action is brought by his executor, Capt. Benj. Pratt, of the heirs of Benj. Pratt.

The following paragraph we copy from the Telegraph Pioneer, of Chelsea, Mass. Miss Alice E. Hamilton's pupil, assisted by Miss E. A. Black, vocalist, and Miss Dinah Sturgis, reader, gave a most enjoyable recital at the residence of Mrs. Bonding, 50 Tabor St., Saturday, June 23rd. The heavy rain kept many away, but those present greatly enjoyed the performance, which was charmingly rendered.

MICHAEL.—Dr. S. T. Hand has his dictionary of the Micmac language ready for circulation. It comprises 250 pages in four to, and the words are arranged in two columns on each page, the English in black letters, which distinguishes them very clearly from the Micmac. The work was done at the office of the Nova Scotia Printing Company, and its execution does them credit. We hope the doctor will find a ready sale for that portion of the edition which falls to his share.

W. & A. R.—The Windsor and Annapolis Railway Company have announced the following changes and appointments in the management of their road:—Mr. J. W. King has been made General Manager, vice P. Innes, resigned; Kenneth Sutherland, Engineer and Superintendent; S. Travis, Foreman of Road Repairs; N. Youl, Locomotive Superintendent; W. Gibson, Car Superintendent; H. A. Prat, Accountant and Paymaster; D. H. Coffin, Cashier; J. Cunningham, Storekeeper; and H. M. Baley, Train Despatcher.

PROFIT PAYMENT.—We understand that the insurance (\$1000) on the life of the late Chas. W. Knowles, effected in the Ontario Marine Insurance Co., has been paid over a week ago, the payment being made immediately on the completion of the necessary papers. This speaks well for the promptness of the Company to pay its claims. This is the first death claim paid in Windsor. Mr. Jesse P. Smith is the local agent. Mr. P. N. Newcomb, at present in Windsor, is the travelling agent for the Company. The amount of insurance held in Windsor is close upon \$500,000.—Halifax Journal.

WOLFVILLE. Personal Paragraphs. Mrs. A. M. Hoare and Mrs. Capt. Faulkner are in Wolfville visiting their mother, Mrs. McKee.

Miss S. A. Hamilton, who has been on a visit to the United States for the past two weeks, returned on Monday last. We omitted to mention last week that J. W. Bars, Esq., who has been visiting the United States for a few weeks back, has returned.

Mr. Horace L. Day, of the class of '85 at Acadia, has just graduated at Brown University, where he received over 90 per cent. marks. It is rumored that Mr. E. W. Sawyer has been offered a position at the Baptist Sem. at St. Martin's, N. B. We have not heard whether his friends considering it favorably or not.

Rev. G. F. Borden has been stopping in Wolfville during the past week and occupied the Methodist pulpit on Sabbath evening. He is to be stationed at Lockport for the next three years. Rev. Mr. Just, the new Methodist minister, and family, moved in the Acadia on Tuesday. Mr. Turner, the assistant on the circuit, also arrived the same day. We extend to both a hearty welcome.

Rev. D. W. Johnson and family left on Monday morning by steamer Acadia for Peabody, en route for Springfield, where the Rev. gentleman is to be stationed for the next three years. We are sorry to lose him, but wish him abundant success in his new field of labor.

Mr. H. C. Gilmore arrived in Wolfville on Saturday evening last on his usual summer vacation. Since his last visit he has joined the ranks of the fortunate ones and is accompanied in his visit by his lady. We extend to Mr. G. and his fair lady a warm welcome to his native town and extend best wishes for their future happiness.

From a paper recently received from some friend we learn that our old friend Austin K. DeBolis has been gaining more honors, having been made a Doctor of Philosophy by Bowa University. This is the first time the degree has ever been conferred by the University. Dr. DeBolis has made a first class record as a student and has brought honor to his native town. He is said to be the youngest Ph. D. in America. We extend our heartiest congratulations.

(Being very busy in the office we sometimes neglect to record social and personal news through not being familiar with the facts. We are sorry we cannot give more attention to this department. Our friends would confer a favor by communicating to us items of this kind when they come to their notice.—Ed.)

Early Closing.—We, the merchants of Wolfville, agree to close our places of business Thursday evening of each week at six o'clock, to begin with August the first.—Caldwell, Chambers & Co. G. H. Borden, Rockwell & Co., Burpee Witter, Walter Brown, J. A. Hamilton, Johnson & Bishop, J. F. Hurlb, Rupert Prat, Mrs. Weston.

HOSPITAL REMEDIES.—What are they? The growth of intellect in medical matters has given rise to a demand for a class of genuine, reliable medicine. The opportunity of the ignorant quack, who grew rich during everything out of a single bottle has passed. To supply satisfactorily this demand this list of remedies has been created. They are the favorite prescriptions of the most famous medical practitioners of the day, gathered from the hospitals of London, Paris, Berlin and Vienna. Prescriptions which cost the patients of these specialists from \$20 to \$100 are here offered prepared and ready for use at the nominal price of one dollar each. Not one of them is a cure all; each one has only the reasonable power of curing a single disease, and each one keeps its contract. Sufferers from Catarrh, Disordered Lungs, Bronchitis, Asthma, Consumption, Rheumatism, Dyspepsia, Liver and Kidney Complaints, Fever and Ague, Neuralgia, Female Weakness, Leucorrhoea or Nervous Debility, should send stamp for descriptive catalogue to Hospital Remedies Co., 204 West King St., Toronto, Canada. If your druggist does not keep these remedies remit price and we will send direct.
