

CHATHAM DEFEATS NEWCASTLE 16-11

Last Wednesday afternoon in the Farrel Field, Newcastle, the Newcastle and Chatham Baseball Aggregations, leaders of the 1922 Miramichi League, struggled for two hours and three quarters in an exhibition game here. The game was called at 3.30 o'clock, with an attendance of about 500 fans, who were keyed up to the highest pitch, and who remained to see the last ball thrown at 6.15 o'clock.

It has been a long time since such enthusiasm and interest was displayed in a ball game in Newcastle. The sun came out at noon, and in a short time had dried up the diamond, putting it in first class shape, after the heavy rain in the morning. Greene umpired balls, strikes and bases in a satisfactory manner. The fans at times were almost uncontrollable in their enthusiasm and both teams were given splendid support by their admirers. Chatham succeeded, after a hard fight, in winning the game by a 16 to 11 score.

Briggs and Curry were the battery for the visitors, and they put up a good battle until the middle of the 7th, when the locals were hitting Briggs in good style. Briggs was replaced by Veniot but this had no effect on the locals, who kept up their batting stride and had their another inning or two, the result might have been quite different. It was a case of the locals not getting down to good batting soon enough, but then that is part of the old baseball game.

The first and eighth innings were the ones which proved fatal for the locals. In the initial inning Chatham scored four runs, the locals tallying two in their first and two more in their second, which tied the score. In the second and third, Chatham had only three men up in each inning and failed to score. In their half of the fourth they scored three more, one in the fifth and blank in the sixth. Newcastle failed to score in the third and fourth, but managed to get two over in the fifth. In their sixth they were retired with no runs to their credit, but in the seventh they made a batting rally and scored 3 runs. At this stage of the game it looked as if Newcastle had struck their pace and prospects looked good for them, as the score stood 11-9 against them, and they were going strong. Then came the fateful eighth and Chatham ran up five runs, which clinched the game for them. This was a little bit of hard luck for Newcastle, but such is the way of the game. In Newcastle's eighth they scored two more, giving them a total of eleven and in each half of the ninth both teams failed to score, leaving the score 16-11 in favor of Chatham.

The locals lost the game but they have the satisfaction of knowing that they were the only team, who ever drove Briggs out of the box. Ryder pitched for the locals up to the fifth, when he was replaced by Craig, both pitchers putting up a good game.

In the first, Zinck made a good catch of a hot one right off the bat, which was hit by Briggs. McCabe made a three bagger in the second scoring two runs, and a good relay throw by McMichael and McCabe from centre in the third caught the runner at home in Chatham's half of the second, retiring the side. Jeffrey's timely hit in the fifth was responsible for scoring Zinck and Melrose in this inning. McMichael made an excellent catch of Curry's fly in the sixth, which looked like a safe one.

Ryder had 4 strike outs and Craig five to their credit, while Briggs struck out 10 men and Veniot, one.

Ryder was the only pitcher who did not hit a batter with a pitched ball. Craig was exceptionally strong on this point and hit four men; Briggs took the measure of one man and Veniot had a crack at two batters.

Briggs passed 4 men to base on balls, Veniot sent one down and Ry-

Pale And Sickly Girls And Boys

Need All The Strength That
Rich, Red Blood Can Give Them

Youth is the time to lay the foundation for health. Every girl and every boy should have plenty of pure, red blood and strong nerves. With thin impure blood they start life with a handicap too great to win success and happiness. Rich, red blood means health, full growth, strong nerves, a clear brain and good digestion. In a word pure blood is the foundation of health.

The signs of weak, watery blood are unmistakable. The pale, irritable girl or boy, who has no appetite or ambition, is always tired out, short of breath and does not grow strong, is a victim of anaemia—the greatest enemy of youth. There is just one thing to do for these girls and boys—build up the blood with Dr. Williams' Pink Pills. You can't afford to experiment with other remedies, for there must be no guesswork in the treatment of anaemia.

Dr. Williams' Pink Pills act directly on the blood, giving it the elements it lacks, thus developing strong, healthy girls and boys. Mrs. R. Kinch, Hepworth, Ont., tells as follows what these pills did for her daughter:—"I think it a duty to let others know the benefit which Dr. Williams' Pink Pills have been to my daughter, and I hope this may be the means of inducing some other sufferer to try them. She was weak, nervous and badly run down. She took medicine from the doctor but got no benefit, and finally she was not able to walk to school. I was advised to give her Dr. Williams' Pink Pills, which I did, and after taking them for a time she was restored to perfect health. I cannot speak too highly of these pills."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

uer and Craig each sent two men down. Newcastle had nine men left on bases and Chatham had 13.

The visitors made 9 hits off Ryder and 11 hits off Craig, and had 3 errors chalked up against them.

The locals fared badly in errors, having 10, while they made 18 hits during the game.

After the game the members of each team lined up in front of the Band Stand and President J. R. Lawlor, presented the Chatham Club with the beautiful Silver Cup donated by Mr. Clay Adams of New York City, for the winner of the Miramichi 1922 League Series.

Captain Curry received the trophy on behalf of the Chatham Club, and in a few well chosen remarks thanked Mr. Lawlor for his kindness and interest taken in the League during the season. He also, on behalf of his own club, and the other clubs of the league, requested Mr. Lawlor to inform Mr. Adams of their appreciation of his kindness and interest taken in the league, assuring him that it was the earnest desire of all clubs of the league to give the fans the very best baseball that they were capable of providing, and hoped that next year, they would be able to excel this year's playing, and trusted that the same interest and assistance from all would be forth coming, as had been the case this year. At the conclusion three rousing cheers were given for Mr. Adams, who is a real Base Ball Fan.

In the first, Zinck made a good catch of a hot one right off the bat, which was hit by Briggs. McCabe made a three bagger in the second scoring two runs, and a good relay throw by McMichael and McCabe from centre in the third caught the runner at home in Chatham's half of the second, retiring the side.
