THE Legislature of British Columbia has passed the Chinese and Japanese exclusion bill, and Mr. McInnis, member for that province, has introduced a bill in the House of Commons, including Japanese in the restrictions to immigration from China.

AFTER an all night session, the United States Congress yesterday morning agreed upon a resolution along the lines of the President's message, only stronger than the President's message.

POSTMASTER General Mullock seems to be an arbitrary man who imagines he is in no way bound to be civil or courteous to his opponents or associates in Parliament.

HIS Eminence Elzéar Alexander Taschereau, Cardinal Archbishop of Quebec, died at his residence, Quebec, on Tuesday, the 12th inst. He had been in very feeble health for the past few years.

In the bye-election for the House of Commons, held in the West Riding of Prince County, on Wednesday last, McLellan, Grit, was elected by a majority of 289 votes over Hackett, Conservative.

OUR Grit politicians are fond of proclaiming from the housetops that the Laurier Government are the farmers' friends.

Seasonal Notes.

As we intimated in our last issue, very little business was done in the Legislative Assembly on Wednesday last.

As our readers will remember, the Speech, which the Government placed in his Honor's hands, was more remarkable for what it omitted than for what it contained.

As Mr. Speaker had said his prayers on Thursday forenoon, and the "Strangers" had withdrawn and returned, Mr. Peters rose to move that the House go into committee of the whole to consider the draft address.

THE debate was continued by Mr. A. J. McDonald, the Attorney General, Mr. Bell and others.

Rev. J. Augustine McDonald.

Rev. J. AUGUSTINE McDONALD, who, for the past two years, has been on the Professorial staff of St. Dunstan's College, received a telegram, a couple of weeks ago, from Bishop Shanley of Jamestown, North Dakota, offering him an extensive mission in that diocese.

TO REV. J. AUGUSTINE McDONALD. Rev'd Dear Sir,—Having lately learned that it is your intention to leave this year for a mission in North Dakota, I am glad to hear of it.

THE Rev. gentleman made a most feeling reply. The congregation were deeply moved and the scene in the church was most pathetic.
