## THE FALL SHOW.

Of the West Huron Agricultural Society.

The Agricultural and Mechanical Display The List of Successful Competitors.

The annual Fall Show under the auspices of the West Riding of Huron Agri-cultural Society, was held on the Socie-ty's grounds, Goderich, on Tuesday and Wednesday last. In some of the classes there was a falling off in exhibits. This was particularly noticable in some branch-

THE INSIDE DEPARTMENT.

more particularly in the ladies class, where a number of the old, time honored, Cottle. prize taking articles failed to put in their annual appearance. But what were shown were good, and deserving of a place snown were exhibition. The art department was ahead of previous years, and a number of gems were exhibited. Fruit, with Cottle. play, and the flower department was an unusually fine one. Roots and vegetables were a fair exhibit, and the samples of crein shows the samples of crein sho samples of grain shown could hardly be excelled. So many of the exhibitors in the indoor department showed to advantage that we will not attempt to draw comparison, but will allow the prize list to tell the tale.

THE OUTSIDE SHOW was not so largely attended as on previous occasions. One drawback to the success of the outside exhibit was the
