## WITH THE FARMERS

Steps have been taken by the Canada

of Ontario recleaned barley, and they are willing to sell it to the farmers at cost price, this Company having arranged a low rate on such barley from Ontario

points to Winnipeg.

In order that the Canada Malting Co. may form an estimate of the quantity of barley that will be required for seed, it is important that those requiring this should specify at an early date what their requirements will be.

or through our Agents, particulars of how much seed barley they require and the date they would like this shipped (all the shipped from Winnings). It is a family strong till near the close, the date they would like this shipped (all the shipped from Winnings).
