EDUCATIONAL.
Items of Interest to Teachers and Scholars
Regarding Educational Matters at Home and Abroad.
[Items on educational subjects will be gladly received. Questions on matters of general interest to the profession and public will be answered in this column by competent authority.]
On Christmas eve the pupils of S. S. No. 23, Yarmouth, visited their teacher, Mr. W. L. Mackenzie, and presented him with an address accompanied by a beautiful parlor lamp and silver butter dish, as a token of their esteem.
A very pleasant surprise was given to Miss M. Simpson, teacher of the Froese school, at the Christmas entertainment held in the Congregational Church on the evening of the 22nd inst., consisting of a valuable and handsome present of a glove case and handkerchief box, from her pupils, who appear to hold her in high esteem. Miss Simpson has been re-engaged at a salary of \$375.
A public examination took place in the schoolhouse, S. S. No. 18, South Dorchester, on Thursday afternoon, the 23rd inst. Several of the parents were present, and expressed themselves as being well pleased with the efficient manner and progress the school had made during the past year, which reflects great credit upon their teacher, Mr. J. A. Evans. After the programme of studies, prize books were distributed among the scholars. At the spring examination the trustees promised a special prize for the greatest advance made in the school at Xmas. Master Colin N. Stewart won it, after a hot contest. After the prize books had been distributed, Mr. D. J. Moore, trustee, took charge of the school, while Master John D. Moore and Miss Caroline O'Neill came forward and presented their teacher, Mr. Evans, with an eloquent address and a gold pocket watch, on behalf of the scholars, to which Mr. Evans made a feeling reply, although completely taken by surprise. This is the second lot of prize books distributed in the school this year, and they cannot be beaten by any other school in the county, when the excellence of handling and sound information are considered. They were purchased from A. McLaughlin. The present to the teacher is something he may be proud of, and it shows that the scholars take an interest in their work. It was purchased from Hepinatal, the jeweler, both of St. Thomas. We congratulate the trustees on their success in having secured the services of Mr. Evans for their teacher for next season.

BRITISH CABINET CRISIS.
An Important Council Held by the Ministers.—Lord Hartington Refused to Join the Ministry.
London, Dec. 29.—The Queen maintains constant communication with the Marquis of Salisbury. It is declared that the premier has no intention of resigning.
At the Cabinet meeting yesterday Lord Salisbury read the correspondence that had passed between himself and Lord Churchill relative to the latter's resignation. It is believed that the Marquis of Salisbury refused to accept of the resignation of the Government adequate support from the lords, and he proposed to dissolve Parliament and appeal to the country on the former Unionist platform, adding planks in favor of the resignation. CONTINUED OPINION.
Montreal, Dec. 29.—Owing to the opposition of the Rev. J. H. Cashin, Church and the refusal of the clergy to admit members of the Knights of Labor to the rites of the church, including the retreat, and the communication, the membership of many of the French lodges in this diocese have fallen off very considerably. It is stated that the majority of the parishes alone refused the Christmas communion to a thousand of his parishioners who were members of the organization. The majority of the parishes entered their connection with the order and were admitted to the sacred rite. The officials of the order in Montreal recognize the fact that the continued opposition of the Church, and consequent defection of members, must eventually, and probably shortly, lead to the dissolution of French lodges.
