A PLEASANT HOUR AT THE NICKEL.

The charming weather last evening did not prevent Nickel patrons attending the popular show. The bill had been specially arranged and was pleasing to all. It will be repeated this evening and no doubt there will be a large attendance, as there usually is on Saturday nights. The Nickel is a pleasant place to spend an hour on Saturday evenings and hundreds of our citizens, old and young, meet there.

CRESCENT PICTURE PATRONS DELIGHTED.

Yesterday afternoon and night the Crescent Picture Palace patrons were delighted with the very fine picture show presented and showed their appreciation by frequent rounds of applause. Mr. Harvey Collins, the Irish tenor, sang that favourite Irish ballad, "My Wild Irish Rose" and was loudly cheered which he kindly responded to. The same fine show will be repeated to-day with extra pictures at this afternoon's matinee.

Baseball.

At a special meeting of the Baseball League held last evening, to arrange for the Inter-town Series, challenges were read from both the Grand Falls and Island teams. The former challenge was received prior to Bell Islands, the City will meet Grand Falls during the week beginning August 22nd. A committee has been appointed to select the city team to defend the trophy and practices will be held during the week. As there is some confusion regarding the remaining games to be played in the City League, we are giving below the official schedule showing the teams and the order in which they play.

WEEK'S END.

How sweet to rest serenely in the gloaming, the week's work done, y o u n r princely wages drawn; to rest and read, the winds your sideboards combing, and watch the children play upon the lawn. I tell you this, my grouchily friend and neighbor, there's naught on earth more soothing to the soul, than rest that follows days of earnest labor, the toil that brings a small but honest roll. The pride of wealth, the pride of birth or beauty, the pride that swells the chests of beau and belle, seems shoddy stuff to him who does his duty, who does his tasks, and strives to do them well. Beneath his vine the workingman is sitting, his bills are paid, some roubles put away; upon the porch his smiling wife is knitting around his feet the tow-haired kids play. For pomp and state he wastes no time in sighing, he knows how oft such longings lives have quered; and past his home the motor cars go flying, by men in debt

and divers bankrupts steered. A cottage home that's yours and fully paid for, a happy frau, a sense of duty done; that pleasant lot a millionaire might trade for, and get big value for his heaps of mon.

WE ARE COMING, DEAR OLD ENGLAND, 300,000 STRONG.

Toronto, Aug. 6.—The Roman Catholic Archbishop of Toronto, the Right Rev. Dr. McNeill (a native of Nova Scotia) presided at the great recruiting meeting of the 12th York Rangers. In the course of his speech His Grace said:

"We are a little slow in realizing that we have passed out of the stage of a colony into the stage of a nation within the Empire. In Canada we have ceased to think of the country as a Colony. Canada to-day is just as much a nation within the Empire as is Scotland or Ireland. We should assert this always to be the fact. When we realize that we are a nation, then the call to arms should have the greater weight."

Archbishop McNeill told the story of the success Abraham Lincoln had in his call for 300,000 men and ended by saying that Canada's answer to the call from across the ocean should be, "We are coming, dear old England, with 300,000 MEN."

In hair dressing the French roll is slowly being replaced by a rather low knot at the back of the head.

Association Football.

Championship Decided.—Collegians are Victors—Defeated St. Bon's Last Evening by Three Goals to One—A Player Broke His Leg.

The Collegians won a decided victory over the St. Bon's last evening, thus they are the proud possessors of the championship cup and the gold medalists as well for 1915.

Before the match started speculation was rife as to the result, as the Collegians and B. I. S. were virtually running a dead heat for first place, hence if the new champions had to lose, the other aspiring team mentioned would fall in for the much coveted honours, whereas if the St. Bon's tied with the Collegians, the latter would again have to meet the B. I. S. to have supremacy proven. However, matters turned out differently. It was an ideal evening for football and a large gathering of on-lookers surrounded the arena. Throughout the evening much enthusiasm and excitement was manifest amongst the fans. The teams comprised:

Collegians.—Goal, Wornell; backs, Quick, Halfyard; halves, Pike, Barnes, Pike; forwards, Coultas, Ellis, Kendrick, Heath, Goss, and Wilson.

St. Bon's.—Goal, Knight; backs, Power, Higgins, Keegan, McGrath, Crawford; forwards, R. Callahan, Kelly, Smith, W. Callahan, Devine.

Referee.—Mr. W. J. Higgins.

Play opened with the Collegians on the aggressive and made a couple of vigorous, though ineffectual, attacks. The St. Bon's put up a stubborn defence. After a while the St. Bon's stirred themselves a bit. Higgins found out the dimensions of an opponent's footwear and had to retire. During his absence the Collegians scored their first goal through Heath. After going through the First Aid process Higgins resumed playing. No further scoring was done for the rest of the first period.

In the next period better football was seen than in the first. Within a minute from the opening the St. Bon's managed to register the equalizing goal, Callahan doing the needful. Play then became fast and furious, both sides trying to gain the mastery. Darkness set in and made combination impossible. The St. Bon's seemed to get the advantage and for a few minutes confined play to Collegians territory. The back division defended well and kept the ball clear of danger zone. The game was well advanced when Gear came down the right wing at a fast clip. One of the St. Bon's backs thought the ball was going out of play, but Gear gave it a splendid hook and a little bit of "side" brought the leather behind Knight and the second goal the Collegians were recorded. Continuing a strenuous attack the Collegians secured a corner, which was neatly executed and Gear again beat the St. Bon's goal keeper notching up the third and winning goal for his team. Just as the ball was re-entered full time was announced and at the same time Smith, of the St. Bon's, broke his leg. He was removed from the field on a stretcher, thence taken to his home on LeMarchant Road.

The proceeds of last evening's game amounted to \$40, the highest for the season. The final game of the League series will be played between the Star and C. E. I. Fieldians, but this does not affect the championship. The gate receipts for the entire season is expected to be in the vicinity of \$800 which will be devoted to the Patriotic Fund.

We unite with their many friends and admirers in extending our cordial congratulations to the Collegians and every individual member of that team on their hard earned and well merited success. Out of the six games they played in the series they lost only one, giving them a total of 10 points. The B. I. S. are the next high liners with 9 points.

Chapter of Accidents.

There was a chapter of accidents at last evening's football game. The first to be put out of commission was J. Higgins. Next E. Crawford came in contact with opponent and got his arm wrenched, and just as the referee blew the "last call" at the close of the game, N. Smith accidentally got his leg broken, below the knee. Referee Higgins, H. Barnes and J. Taylor rendered "first aid," after which the broken bone was set by Dr. Roberts, who was summoned. The victim was then driven to his home on LeMarchant Road.
