Making Friends and Keeping Them.

There's little satisfaction in coaxing customers in one day with the bait of some "scheme" or deal, only to lose them to-morrow, when someone else does the same thing. That's not the kind of customers that make for permanent success of the grocer. If we have Babbitt's Borax right one day and "almost as good" the next—sold it on a "drive" one day and at the "regular price" the next—there wouldn't be any "regular price"—or quality either.
