CURLING.

FOR A DARREL OF FLOUR.

A curling match of a very interesting nature was played at Simcoe street rink yesterday afternoon. The contestants were Mr. D. B. Dewar and Mr. G. A. Somerville, respectively president and vice-president of the London Curling Club. Each chose two rinks, and the defeated side was to purchase a barrel of flour for the poor. The president's men won by 16 points. The ice was in excellent condition and great enthusiasm was manifested in the match. Following was the score:

Annual Meeting of the Association In This City.

The Annual Report Shows a Satisfac tory State of Affairs-A Handsome Surplus — Accident Insur-ance Assumed.

The annual meeting of the Western Ontario Commercial Travelors' Association was held this morning in the office of the Secretary, Mr. Alf. Robinson, Masonic Temple. President Struthers was in the chair and there were present: K. Tait, first vice president; Alf. Robinson, secretary; J. Stephenson, J. C. Vandecar, J. F. Wood, F. W. Grew, J. H. Burns, G. A. THE ANNUAL REPORT.

The sixteenth annual report was reads as

In submitting the sixteenth annual re-follows: In submitting the sixteenth annual re-port your board of management have much pleasure in congratulating the members on the continued progress and prosperity of the association. During the last eight years the membership has increased from 438 to 971, and the reserve fund from \$63,313 37 to \$22,485 14, while the benefits paid to members or their beneficiaries have amounted to nearly \$20,000. These vital statistics abundantly illustrate the effective manner in which the interests of the association as identified with those of the wholesale and manufacturing trade of this city and Western Ontario have been advanced and consolidated generally. In this connection your board of management would take this opportunity of expressing their deep sense of gratitude to the local directors outside of the city, and to the members generally, for the warm and loyal support which has so largely contributed to the present favorable position. The following have been the payments under the mortuary benefit bylaw, for the year just ending:

To the beneficiaries of the late W. H. Heaman, \$700; E. G. Rowell, \$700; E. G. Rowell, \$700; F. H. McGillivray, \$700; total, \$3,400. Your board would beg earnestly to recommend the adoption of the unanimous report of the large and representative special committee with regard to the association assuming its own accident insurance, and also the necessary bylaw to carry their recommendation into effect, and which is now submitted. It is hoped and believed that the very favorable experience of the Montral and Toronto associations in this respect will be repeated in our case, thus greatly strengthening the reserve fund, and augmenting and guaranteeing the submitted to go fully into the question of mortuary benefits during the coming year to the association with the association in this respect will be repeated in our case, thus greatly strengthening the reserve fund, and augmenting and guaranteeing the submitted to go fully into the question of mortuary benefits during the coming year in connection with the association.
