THE VIGILANT BEATS THE VALKYRIE.

NEW YORK, Oct. S.—The Vigilant won and all the patriotic citizens who went down the bay to see the first of the international yacht races came back shouting themselves hoarse over the performance of the cup defender. The day was a beautiful one, the race was prettily sailed and while Lord Dunraven's Valkyris came in second by 5 minutes and 48 second she showed qualities which make her a dangerous antagonist in a stiff breaze and a windward race. Saturday's race was the race that ended in a fluke last Thursday and was postponed until Saturday. It was to be a run of fifteen miles to windward or leeward and return. The direction of the wind made it necessary to sail first to the leeward. The start was the most beautiful ever seen in the American waters, and to the spectators it seemed as though both boats had been simultaneously shot out of a cannon.

At the end of ten minutes the English boat was fully two lengths ahead and apparently gaining every moment. This state of aflairs continued for fifteen minutes when the American seemed to

with a distance of one-fourth of a mile. Though the day was perfect and the American yacht gained an honest victory it was not a steady wind from start to finish and therefore not a fair test of the two boats. It was ascertained, however, that in light airs the Vigilant is speedier than the Valkyrie, but in a fresh breeze and in a reach the English boat is superior. This makes it fair to presume that the Valkyrie may win Monday's race if the wind blows steady and strong.

The official figures of the race are: Vigilant, cuter mark, 1:50:50; Valkyrie, outer mark, 1:50:50; Valkyrie, outer mark, 1:58:56. Vigilant wins. Corrected time, 5 minutes 48 seconds. Though the day was perfect and the

FOOTBALL

A GOOD GAME.

The London Rugby Football Club had a bractice match on Saturday afternoon on Tecumesh Park. A good crowd was present and enjoyed the game. At 4 o'clock play was started, and for a while it was uncertain as to what the result would be, "Doe" Sippi made his appearance on the field and held up his reputation equally as well in kicking the ball as he did in batting it. Any unfortunate who happened to come in contact with Sippi was shown no mercy, in many cases the force of the collision being so great as to send the victim several feet away. Beltz, D. Mills and Brown also played a fine game. When time was called the game was given to the first team. The teams were made up as follows:
