To no other class of apparatus can the axiom shat "the best is the cheapest" be more truly applied than to electrical machinery and appliances. To transformmachinery and appliances. To transformers does this especially apply. It will pay you to buy the best in the market, and we now offer you the very best at such a reduced price that the essentials of quality and efficiency are combined with extremely low prices, which is rendered possible only by the introduction of improved laboronly by the introduction of improved laborsaving machinery, added to a large in-

crease in our cutput.

The Transformer we offer is the improved type F. Thomson-Houston design, elebrated for its high efficiency and perfect

regulation.

The following points in a Transformer are all essential: (1) Perfect safety; (2) high efficiency; (3) good regulation; (4) small core loss; (5) convenience in installation.

These are attained in the New Type F. Oil Insulated Transformers (which we are now manufacturing at our works at Peterborough, Ont.), in a greater degree than any other upon the market.
