

CHAPMAN'S

HOUSEHOLD LINEN.

SEVERAL opportunities having presented themselves to us lately to buy Linens very much below present manufacturers' prices, and remembering the very large sales we have always had in these lines every season just before the Exhibition started, with prospects of a greater demand still this season, as this has become the recognized supply house for these goods, we took advantage of these rare chances to enable us to offer these goods at prices which cannot be approached by any other house in the trade. They comprise:

Table Napkins

at per dozen, \$1.00, \$1.25, \$1.50, \$1.75, \$2.00, \$2.50

also. Beautiful goods, bleached or unbleached, at any of the following prices per yard—25c, 30c, 35c, 40c, 45c, 50c, 55c, 60c, 75c.

Competition is the life of trade, and we are very much alive. Read on.

Glass and Roller Toweling

We indulge in no flights of rhetoric or meaningless bombast, but simply state facts and sustain them on our counters.

PETE LOHMAN BREAKS HIS THUMB.

Bert Sheere yesterday received a letter containing the information that Peter Lohman, the popular manager and catcher of the late London baseball team, had the misfortune to break his right thumb in a recent game between Omaha, with whom he signed, and Denver. The fracture was so severe that the doctors at first thought amputation would be necessary, but it was found later that the thumb could be saved. Pete has gone to his home in San Francisco. He will not be able to play again this year.

ney arrived today on the Oceanic from England. After expressing his pleasure over the victory of the Futurity Saturday by Ballyho, he said that he "expected to send a stable to England next season. There will be no two-year-olds, because the English do not fancy the racing of such youngsters. But I will have a good string of 3-year-olds. A good 3-year-old ought to win out \$100,000 in a season over on the other side. That's what I hope to do."

ENGLISH EVENTS.

London, Aug. 29.—The Relifs captured nearly everything at the York August meeting today in addition to the great Ebor handicap plate, in which he upset the favorite, Osbeck. Johnnie Relifs, on Premature, won the Lonsborough handicap stakes of 55 sovereigns each, with 150 sovereigns added.

The Rous stakes of 5 sovereigns each with 100 sovereigns added, was won by Turin, ridden by L. Relifs. The Convivial Produce stakes of 10 sovereigns each, with 500 sovereigns added, was won by J. Cannon's black colt Nahlband, also ridden by L. Relifs. The Palmouth selling welter handicap plate of 150 sovereigns, was won by Windmill, L. Relifs again having the mount.

LAWN BOWLING.

LONDON DEFEATED. Three rings of London bowlers went over to St. Thomas yesterday to where they engaged in friendly match with the locals. Victory was not with the Londoners, but they had a pleasant time. The bowling green at St. Thomas is not satisfactory. Following are the scores:

LAWN TENNIS.

Niagara-on-the-Lake, Ont., Aug. 29.—The final match played this morning in the men's handicap singles concluded the fifth annual international tennis tournament here. Today's game was between Sumner Hardy, of San Francisco, and F. B. Alexander, of Princeton. Hardy was picked for a sure winner, as he had beaten Alexander last year in the same event, but the latter was in good form and was right in the game. Score: Men's handicap singles—Final round—F. B. Alexander, Princeton (love half 30), beat Sumner Hardy, California (love 30), 6-2, 7-5.

YACHTING.

London, Aug. 30.—The Leader prints an account of the yacht race, in the course of which Sir Thomas Lipton, in the course of which he said it was impossible that any fixture for an international race should be made as yet. He declared that he would name his new yacht Shamrock, and he declared that he intended to make the challenge under the auspices of the Cork club. "Nothing whatever," he asserted, "has yet been decided finally." He felt, however, that he would certainly retire if another challenger should appear in money. In that event he would give the services of the first Shamrock for trials.

PISITO.

THE MCCOY-CORBETT FIGHT. New York, Aug. 30.—After ineffectual attempts for the past two years to get James J. Corbett and Charles (Kid) McCoy to meet in the ring on the part of different match-makers, manager Kennedy, of the Twentieth Century A. C., has at last succeeded in bringing together two men who are conceded to be the cleverest and shiftest artists in the prize-fighting business. Corbett and McCoy are to do battle tonight at Madison Square Garden under the auspices of the Twentieth Century A. C. Corbett and McCoy finished their training for the battle yesterday. McCoy put on the finishing touches at Saratoga, and announced at the conclusion of his day's work that he was fit to fight. He weighs ten pounds more than he ever did before, and is satisfied that he is beaten it will not be due to lack of condition. Corbett, who has been conditioning at Bath Beach, put a few finishing touches to his training yesterday with a little light sparring and bag-punching. The betting on the contest does not appear to be at all lively. On the contrary, the action of the public is holding off for a slight advantage in the way of odds. A few wagers have been placed and pugilist judges are about evenly divided regarding the chances of the two men. At present the odds are 10 to 10.

THE SULLIVAN BENEFIT. New York, Aug. 29.—John L. Sullivan was given a rousing benefit at the Twentieth Century Club in Madison Square Garden tonight. The sum realized from the sale of tickets and

subscriptions will be a large one. It will be held in the big hall, a committee, who will invest the money and pay the interest to Sullivan. Among those who were in the house were Peter Maher and Peter Burns, and Gus Ruhlman and Charles Goff. Bob Fitzsimmons and Jeff Thorne, of England, fought a three-round burlesque, and both were counted out by the referee. John L. Sullivan and James J. Jeffries came on for the windup. Sullivan thanked everybody for their kindness to him in a neat little speech. Jeffries did not respond when called on to say a few words, but through Joe Humphreys he said he would do. The shouting and cheering to defend his title of champion whenever called upon.

BRANTFORD WON

London Lacrosse Team Defeated by a Close Margin.

An Afternoon of Sport at Tecumseh Park—The Bicycle Races.

The spectators who visited Tecumseh Park yesterday afternoon to witness the programme of sports provided had no reason to complain of not getting their money's worth. They saw a fast and exciting lacrosse game and four interesting bicycle events, and were in addition entertained with songs and musical specialties by the Brantford coon band. In the lacrosse game, London put up a hard fight, but were defeated by the slick-handlers from the Heli City. The play of the London team was at times individually brilliant, but they showed a woeful deficiency in combination play, in which the visitors excelled. The shooting and catching of the London players were also weak points. Too much cannot be said in praise of Kelleher, who was a tower of strength to the London defence, and of Smith, London's youthful goal-keeper, who cleverly stopped shot after shot. Had it not been for his brilliant work the score in Brantford's favor would have been much larger. As it was, London was defeated only by a narrow margin of 2-1, and the Brantford team is champion of its district, and has been playing constantly, while London was out of practice, the showing made by the latter team is very creditable. Both London's goals were scored by Vanderburg. The game was marred by several exhibitions of foul and rough play, and at times it appeared that a mix-up was imminent. Mr. Henry, of Brantford, acted as referee. The line-up of the teams was as follows:

Brantford.	London.
Cameron.....Goal.....A. Smith	
Brierly.....Point.....Forrest	
Allen.....Cover point.....Kelleher	
McBride.....1st defense.....J. Foley	
McBride.....2nd defense.....J. Foley	
McDonough.....3rd defense.....Hefferman	
Wilson.....Center.....Galbraith	
McLaren.....3rd home.....Reid	
Doulin.....2nd home.....Veech	
McLellan.....1st home.....Vane	
McMillan.....Inside home.....Foley	
M. Stone.....Outside home.....Fleming	
A. McKinnon.....Field Capt.....W. A. Mace	

In the bicycle events, F. F. Radway defeated R. Ingram in a two-mile matched race by six lengths. The time was 4:21. W. Dean easily won his two-mile race with O. Adair in 5:22. In the triplet pursuit race, both crews worked very hard on the two miles, the winners finishing well ahead in 4:41. The winners were F. F. Radway, A. J. Platt and George Weing, their opponents being W. Dean, O. Adair and J. Dreaney. O. Adair went half a mile for the track record, held by Harley Davidson, Adair was 34 seconds short of the mark. A strong breeze interfered with his work. Thos. Gilleen made a satisfactory judge of the different events. The Aleris of Mr. Marys will probably play here on Labor Day.

ROCKLIFFE RANGES

Continuation of the D. R. A. Shooting Matches.

Ottawa, Aug. 30.—The third day's shooting in the Dominion Rifle Association matches opened with a brilliant heat, but conditions otherwise favorable to good shooting. The first hour was devoted to the extra series at 600 yards, and then the second range, 600 yards of the Kirkpatrick was called in. Shortly after starting this range the wind became particularly tricky and scores fell back, several good shots going to pieces. The Western Ontario team was as follows: Kirkpatrick match, for teams of six officers, non-coms, and men of all corps; also individual prizes, open to all members of the association—Pte. W. Smith, 21st, 60; 88 each, 1st; J. W. Gilchrist, 1st B. F. A., 59; Corp. McPherson, 1st B. F. A., 59; 55 each; Pte. J. H. Allen, 7th Fusiliers, 57; Lieut. J. D. McNaughton, 30th, 57; Lieut. T. J. Murphy, 7th, 56; 44 each; Lieut. H. C. Accorson, 32nd, 55; Lieut. J. Ogilvie, 1st B. F. A., 55; Pte. W. Gould, 30th, 55; Pte. S. Warnock, 21st, 56; J. A. Moore, 32nd, 55; Sergt. C. R. Crowe, 1st B. F. A., 55; Sergt. J. Lillie, 30th, 55; Capt. J. Crowe, 30th, 55; Capt. Head, 30th, 55.

Team prizes—Kirkpatrick cup and 48, 7th Regiment, 345; 40th Royal Grenadiers, 345; 32d, 48th, 382; 1st, 43rd, 345; next in order, Q. O. R., 327.

The wind conditions remained such in the Walker match yesterday that many of the best shots were considerably puzzled, and some bad breaks were made. The winds blew very strong from right to left. Some promising scores of 600 came down at the 800 yards range, although they had an hour of practice on extra series ticks. During this time Sergt. McCaig, 48th, Capt. J. E. Hutchinson, 48th, and Lieut. Ogilvie, 1st B. F. A., put in possible. There were plenty of men who only fell one or two shots. When the match was called the winds continued right and left, and again some bad breaks were made. Pioneer Moodie, of the 43rd, put in a possible, followed up his 31 with a 34 and took first prize. No comparison of the relative merits of the series compared with last year can be made, as the conditions were changed. Last year ten shots were fired at both ranges; this year only seven. The western scores were: Walker match, challenge cup, for teams and smaller prizes to be won individually, ranges 600 and 800 yards, seven shots—Sgt. Lieut. J. Ogilvie, 1st B. F. A., 62; each, Capt. J. Crowe, 30th, 59; Sergt. S. B. Crowe, 1st B. F. A., 59; 55 each; Pte. G. W. Smith, 21st, 59; Lieut. J. G. Gilchrist, 1st B. F. A., 59; Sergt. Lilly, 30th, 58; 54; S. Sergt. J. A. Ogg, 32nd, 58.

Walker cup—B. C. team, 345; next in order 43rd Battalion, 340; 77th, 337; 10th R. G. 337.

Gillespie challenge cup—Aggregates of teams of six men; 10th Royal Grenadiers, 1,600.
