DURHAM RESIKENTS PETITION COVERNMENT RE LOCKUP

Large Number of Representative RatePayers of Parish Send Petition to Hon. Mr. Hazen-Do Now Want Lockup.

MR. LABILLOIS PRESENT.

To the Honorable J. Douglas Hazen, K. C. Premier, and the Honorable Members of your Government, in Session convened, at Fredericton, in the Province of New Brunswick, Canada.

Seeing by the Press of the Province that you have brought in a bill to make the Parish of Durham, in the County of Restigouche, and Province of New Brunswick, a Police District.

And Whereas the said bill, calls for the building of a lockup at a cost of ($500), Five Hundred Dollars, on the said Parish, there will be other costs in connection with the said lock up, which will necessarily follow, which will also be a tax on the said Parish.

Therefore your petitioners,

Humbly showeth

1st. That the Parish of Durham, in the County of Restigouche, and Province of New Brunswick, is a district or about fourteen miles in length along the Bay Shore, with Back Settlements in the rear, in places of from two to eight miles from the shore.

2nd. That the inhabitants of the Parish of Durham are as good and law abiding citizens as in any other part of the County, or Province, and that it would be unjust and unfair to the people to bring in such a bill to take effect.

3rd. That there are resident Justices of the Peace in every section of the Parish, and plenty of good men to act as Constables in any part.

4th. That the promoters of the bill are unknown to your petitioners, the ratepayers of the Parish, and did not give notice that we are aware of, that such a bill was going to be brought before the house, or your petitioners would have a large signed petition to be laid before your Government, against the bill.

5th. That the I. C. R. passes along the shore of the said Parish, and has three trains daily that will carry passengers, going each way, exclusive of the express, with stations, and platforms every few miles to take on or let off passengers, and these trains have connections with the Town of Dalhousie, and also we have one of the finest roads along the shore to the County Town, that can be found in any part of the Province, so that there is no need of another lockup in this Parish or Police protection either.

6th. That the Parish has already put up a building in years past, that is as good as new for a lockup and other Parish business, and what good is police protection going to do to those who live at either end of the Parish or in the Back Settlements.

7th. And your petitioners would ask that the bill asking for Police protection, in the Parish of Durham, be thrown out, unless the ratepayers of the Parish so decide, and the ratepayers to so decide must have their taxes all paid and be no delinquents in any year that has passed.

8th. That your petitioners do as the representatives of this County, Chas. H. LaBillois and William Currie, Esquires, M. P. P.'s to present this our petition to your Government, and ask them in every way to say this our case before you, in a fair and proper manner, so that no unnecessary expenses will come on our Parish.

9th. That the petitioners are resident ratepayers or the Parish of Durham, and do not see the need of adding more expenses on our Parish, as a bill is already before your Government for power to borrow money on the credit of the County.

Wherefore your Petitioners, humbly pray that your Honorable House will take this matter into your consideration and grant our request that the Parish of Durham, in the County of Restigouche, be no Police District, and your Petitioners, as in duty bound will ever pray.

(Signed)

He was sired by Zepher, a pure percheron horse imported by the Government to Miramichi. His dam was from Prefere also another pure Percheron horse, imported by the Government. His second dam was from Gladstone, a horse imported by the Prince Edward Island Government and cost $20,000 and is called the best horse ever imported to America.

Black Boy is trappy and for his size is a great reader. He will travel the coming season from Grand Cascapedia to New Carlisle, P. Q. MONTREAL THIEF ROBBED THE CHURCH GOERS

Ladies' Purses and Clothes Taken at St. James Methodist

MONTREAL, April 15—During an entertainment in the St. James Methodist Church Monday evening, at which some thirty young ladies took part, a sneak thief broke into the dressing rooms occupied by the ladies, while the entertainment was going on, and cleared everything in sight, including furs, wrappers and purses which had been left by the ladies in a small room adjoining the concert hall. Many suffered financially as well as being put to great inconvenience.

These Wonderful Fruit Juice Tablets Are Winning Friends on Every Side.

Lancaster, Ont., Sept 16, 1908

I was a martyr for many years to that distressing complaint, chronic Constipation. I tried many kinds of pills and medicines without benefit and consulted physicians, but nothing did me any real good. Then I began to take "Fruit-a-tives," and these wonderful little fruit tablets entirely cured me.

At first, I took five tablets a day, but now I take only one tablet every two days. I am now entirely well, and thanks to "Fruit-a-tives" I give you permission to publish this testimonial.
