#### WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets she should not be without them. They are the only medicine for little ones guaranteed by a Government analyst to be free from those opiates and other harmful drugs found in so-called "soothing'' mixtures. Concerning them Mrs. J. C. Wood, Underwood, Ont., says: "I have used Baby's Own Tablets for the last four years and would not be without them, as I have found them beneficial every time I have given them to my little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"Let's have a look at your paper, Bill," said Charlie.
"'Ere yer are, Charlie," said Bill, handing his friend an evening paper.

After a few minutes of silence Charlie remarked sententiously, "Wonderful things, newspapers, ain't they, Bill?" "They've got so many different sorts of things in 'em—stories, cookery, nurders, suicides, racin'; something for everybody, in fact."
"You're right—they are, Charlie."
"But what's this 'ere blank space, Bill?" pointing to the blank space reserved for "stop press" news.
"Oh," replied Bill, "that's for people who can't read."

## DARK ROOM TESTING

Every child on reaching the age of seven years should have the eyes examed. Many children have defective vised. Many children have defective vision, and it often happens that one eye only is affected. This throws all the work on the better eye while the other through disuse frequently loses its function entirely. With proper lense correction this trouble will be wholly overcome. If accompanied by parents we will be glad to examine children's geyes free of charge.
