SUFFERS NO MORE WITH HEADACHES

'Fruit-a-tives' freed her from years of pain The Fruit Treatment seems to be the only way of completely ridding the system of the cause of Headaches. Miss Annie Ward, of 112 Hazen St., St. John, N.B., says: "I was a great sufferer for many years from Nervous Headaches and Constipation. I tried everything, but nothing seemed to help me until I tried 'Fruit-a-tives'. After taking several boxes, I was completely relieved and have been well ever since." Practically all Headaches come from poisoned blood--that is, the blood is laden with impurities which should be carried from the body by the kidneys and bowels. 'Fruit-a-tives'--made from the juices of oranges, apples, figs and prunes--regulate the vital organs of the body--insure a pure blood supply--and completely relieve Headaches. 25c. and 50c. a box--at druggists or Fruit-a-tives Limited, Ottawa.

Spring Impurities Due To Poor Blood

A Tonic Medicine a Necessity at This Season. Dr. Williams' Pink Pills are an all-year-round tonic for the blood and nerves. But they are especially valuable in the spring when the system is loaded with impurities as a result of the indoor life of the winter months. There is no other season when the blood is so much in need of purifying and enriching, and every dose of these pills helps the blood. In the spring one feels weak and tired--Dr. Williams' Pink Pills give strength. In the spring the appetite is often poor--Dr. Williams' Pink Pills develop the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood find an outlet in disfiguring pimples, eruptions and boils--Dr. Williams' Pink Pills clear the skin because they go to the root of the trouble in the blood. In the spring anaemia, rheumatism, indigestion, neuralgia and many other troubles are most persistent because of poor, weak blood, and it is at this time when all nature takes on new life that the blood most seriously needs attention. Some people dose themselves with purgatives, but these only further weaken themselves. A purgative merely gallops through the system, emptying the bowels, but does not help the blood. On the other hand, Dr. Williams' Pink Pills enrich the blood, bringing new strength and vigor to weak, easily tired men, women and children. Try Dr. Williams' Pink Pills this spring--they will not disappoint you.

The death occurred in East Williams on Thursday, March 20th, of Miss Lisa McInroy, daughter of the late Alexander McInroy, of Adelaide township. Miss McInroy was one of a family of eight children, and was born in Hastings County. She resided for many years in Adelaide, where she was well known and highly respected. She is survived by two brothers and four sisters: Edward of Adelaide; W. Alex. of Lobo; Mrs. Mark Robinson, of Taft, Mich.; Mrs. Wm. Brock of Fort William; Mrs. Mrs. Alonzo Knight, Adelaide; and Mrs. Donald Stewart, East Williams. The funeral, which was largely attended, took place on Saturday afternoon from the residence of her brother-in-law, Donald Stewart, Argyle street, East Williams, to Strathroy cemetery. The Rev. Mr. Bruce, of Nairn, conducted the funeral services, and six nephews acted as pallbearers, viz.: Roy Stewart, Earl McInroy, Lyle and Bert Knight, Alf. Cuddy and Murray McInroy.

ALL FOODS SHOULD BE SEALED

The medical profession very generally advocate that all food products should be sold in sealed packages. All cities rigorously inspect butcher shops to prevent meat from being infected, many prohibit milk from being sold in bulk and gradually this will come with everything. 'Salada' was the first to introduce the package idea as regards tea, over thirty-two years ago, and 'Salada' is still a little purer and a little better than other teas. It has by far the largest sale.
