By advertisements in the "Woodstock Times" we learn that a Stage runs regularly three times a week between Fredericion and Woodstock; and that thence a weekly mail stage runs to the Gran ! Falls; and a continuation of this route has lately been accom-plished by the establishment of a weekly stage to the head of Tamisquatia, to be conveyed by water in summer and by the usual mode of travelling in winter. Thus a series of lines of connection, redisting in every direction from Fredericton, has been complete ed, and it it is to be expected that a proper
