WISTAR'S BALSAM OF WILD CHERRY.

A Compound Balsamic Preparation from Wild Cherry Bark and Tar. The best remedy known to the world for the cure of Coughs, Colds, Asthma, Croup, Bleeding of the Lungs, Whooping Cough, Bronchitis, Inflammation, Shortness of Breath, Pain and Weakness in the Breast or Side, Liver Complaint, and the first stages of CONSUMPTION. A THOUSAND CURES in cases deemed utterly hopeless have firmly established its vast superiority over every former medical discovery. It has always been styled "Nature's own Prescription," being formed chiefly from chemical extracts from Wild Cherry Bark and Tar—two trees that are thickly scattered wherever disease of the lungs prevail. We give a few instances of its extraordinary power, from a catalogue almost without end. A lady (address will be given at the New York Agency) who was given up by all her physicians to die of consumption, had a hard tumour for months on the side—raised considerable quantities of matter a sort of honey substance—had taken no medicine for two months being past all hope—entirely cured by a few bottles of this Balsam in September and October, 1844. A Woman, New York city, who had not slept, lying down, for 7 years, (being obliged to sleep in a sitting posture) so far cured as to attend to his business in the most stormy weather. Thomas Bradley, Esq. J. P. Jamaica, L. I., cured of asthma of 40 years' standing. Mrs. Anna D. Hopkins, of Knowlerville, N. Y. entirely cured of liver complaint and general debility of eighteen months' standing. Jacob Hoffman, M. D. Huntington, cured a child of P. Schreible, of obstinate disease of the lungs after he had tried all the usual remedies in vain. "There is no such thing as fail" in the history of this wonderful BALSAM. Evidence the most convincing—evidence that no one can doubt—fully establishes this fact. NO QUACKERY! NO DECEPTION! All published statements of cures performed by this medicine, are, in every respect TRUE. Be careful and get the genuine "DR. WISTAR'S BALSAM OF WILD CHERRY," as spurious imitations are abroad. Address all orders to SETH W. FOWLE, Boston. For sale in St. Andrews, by THOS. SIMP, St. Stephen—JOHN M. CAMPBELL.

ALL MAY BE CURED BY HOLLOWAY'S OINTMENT.

Extract of Letter from John Martin, Esq., "Case of a child" (Glasgow, West India)—February 4th, 1846. To PROFESSOR HOLLOWAY. Sir—I beg to inform you that the inhabitants of this Island especially those who cannot afford to employ medical gentlemen, are very anxious to have your extraordinary Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Scars and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running sores about his legs, some of which, who had tried all other Medicines before the arrival of yours, but all of which were cured, but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigor.

(Signed) JOHN MARTIN, PILES, FISTULAS, AND BLEARINGS-DOWN. A remarkable Cure, by these Pills and Ointment. A half-pay Lieutenant, lately residing in Halifax, I recollect, whose name by request is omitted, but for three years just suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this situation, he was completely cured of all his ailments and restored to the full enjoyment of his health by these justly renowned medicines, which every where unobtainable failed. EXTRAORDINARY CURE IN THE WEST INDIES, OF LEPROSY AND OTHER DIREFUL SKIN DISEASES. June 3rd, 1844. Mr. LEWIS REEDON, of Georgetown in Barbadoes, writes under the above date—that Holloway's Pills and Ointment have cured him of a disease which no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales and other skin diseases of the most frightful nature, and that he has effected these cures through the whole population. CANCERED BREAST—A WONDERFUL CIRCUMSTANCE. Copy of a Letter from Richard Bull, Boatmaker, Totton, near Southampton. February 9th, 1843. To PROFESSOR HOLLOWAY. Sir—The Lord has permitted to be wrought a wonderful cure of Cancer of the Breast of twelve years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at a time. The Faculty declared the case as past-cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our other astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life. Your most grateful and obedient servant, (Signed) RICHARD BULL.

Wheezing on the Chest and Shortness of Breath.

Copy of a Letter from Mr. J. Casey, No. 1, Crown Street, Dublin, dated April 25th, 1845. Sir—I beg to inform you that I believe I have been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was obliged every moment to be clocked with phlegm. I never went into a bed, very often indeed, I have been obliged to pass the night without being able to recline sufficiently to lay my head on a table, but I should be sufficient to say, that I have been cured of this distressing complaint, by the use of your Pills and Ointment, for about three months.

IN ALL DISEASES OF THE SKIN.

Bad Legs, Old Wounds, and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours, Swellings Gout Rheumatism and Lombago, likewise in cases of Piles the Pills in all the above cases, ought to be used with the Ointment, as by this means cures will be effected with the greatest certainty and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigotoot Taws, and Coco-bay. Bares, Scabs, Chillsias, Crapped Hands, Bad Lips, also Blisters and soft Corns, will be immediately cured by the use of the Ointment. THE PILLS are not only the finest remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections, as well as in all cases of general debility, or where there is a want of purity in the blood and fluids, they will insure HEALTH TO ALL! N. B.—Directions for the Guidance of Patients are affixed to each Pot.
