### WEDDING BELLS

RUGGLES—FULMER

On Tuesday, morning July 13th a very interesting event took place at the residence of Mr. and Mrs. Joseph M. Fulmer, Bridgetown, N. S. when their second daughter Vola Amelia was united in marriage to Charles Campbell Ruggles eldest son of Mr. and Mrs. Whitman Ruggles of Victoria.

The parlours were beautifully decorated with asparagus, and roses, for the occasion. To the strains of Lohengrin's wedding march played by Mrs. A. R. Bishop, the bride entered the parlour on the arm of her father, carrying a beautiful shower bouquet of white carnations and sweet peas and took her place beside the groom before a bank of green and roses, and under a beautiful bell made of white flowers.

The marriage was solemnized in a very impressive manner by the Rev. M. S. Richardson, of Bridgetown. The bride looked charming in a beautiful gown of white habit and crepe de chene with pearl trimmings. She wore the conventional veil caught with orange blossoms.

After congratulations a dainty collation was served to about fifty guests relatives and friends of the bride and groom.

The bride's travelling suit was of navy blue broadcloth with dresden vest and hat to match.

The bride was one of Bridgetown's most popular young ladies and a very efficient and successful teacher, having held responsible positions in different schools throughout the Province.

The groom is one of Annapolis County's prosperous young farmers. The young couple received many beautiful presents, consisting of real glass, silver, etc., and several substantial cheques.

The groom's gift to the bride was a handsome pearl and aquamarine

pendant, and to the pianist a pair of gold earrings.

The happy couple left by auto for Middleton where they took the Canadian National Railway for Bridgewater, Lunenburg and other points on the south shore.

Last Wednesday evening a variety show was given the bride by a number of her friends at the residence of Mr. and Mrs. E. A. Hicks, Granville St., and a very pleasant time enjoyed by all who were there.

McGILL—CHUTE

An event of some interest took place under ideal weather conditions at Hurstworth, the home of Mrs. Joseph A. Bancroft, Round Hill, N. S., on Wednesday, June 30th, when Miss Maria Agnes Chute was united in marriage to Mr. George Barton McGill, of Middleton, N. S. A large number of guests were present from Annapolis, Round Hill and Middleton.

At the appointed hour to the strains of the wedding march, played by Miss Mirlam Bancroft, the bride, unattended, took her place beside the groom beneath a beautiful arch of ivy and honeysuckle.

The ceremony was performed by Rev. Alex Gibson, of Annapolis Royal. The bride, carrying a beautiful bouquet, looked very lovely in a gown of white satin and georgette, with veil and orange blossom.

Miss Helen Smith, of Middleton, who wore a prettily attired in dainty voile dresses, carried baskets of roses and pansies, acted as flower girls.

After the ceremony congratulations and good wishes were extended followed by a beautiful lunch in the dining room, which was tastefully decorated for the occasion. The presents were numerous consisting of money, silverware and many useful articles. The groom's gift to the bride was a handsome neck fur.

The bride's going away suit was a tailored navy blue serge with hat to match. The happy couple took the east bound train for Halifax, where they will spend a few days then visit other places of interest. Returning Mr. and Mrs. McGill will spend several weeks at Margareville that favorite summer resort. In the autumn they will take up their residence in Middleton where Mr. McGill does business in the interest of J. N. Emmett & Co., Pork Dealers and grocers, Halifax.

SANFORD—LONGLEY

A quiet but pretty wedding took place on Thursday, July 8th, at the home of Mr. Norman Longley, West Paradise, when his daughter, Carrie Blanche, became the wife of Mr. Henry F. Sanford, of Lawrenceton. Promptly at 12 o'clock, the bride entered the parlour on the arm of her father while Mendelssohn's wedding march was played by Mrs. H. O. Bent. The ceremony was performed by the Rev. L. F. Wallace, only the

immediate relatives and friends being present.

The bride was dressed in a becoming gown of white silk and georgette and wore the conventional veil and orange blossoms. The presents were numerous and valuable consisting of silver, cut glass, linen and several substantial sums of money.

Following the ceremony a dainty luncheon was served after which the happy couple left for an auto trip thru the valley. On their return they will reside at Lawrenceton.

JACKSON—NELLY

The marriage took place on June 13, at the home of the bride's parents, Mr. and Mrs. J. Primrose Nelly of their youngest daughter, Marjorie B., to A. Manning Jackson, of Clarence. The ceremony was performed by Rev. W. N. Hutchins Ph. D. in the presence of about twenty-five near relatives of the contracting parties.

The bride was gowned in white crepe de chene and carried bouquet of amaranth, honey suckle and ferns, the couple standing under an arch of daisies and fern.

Mrs. J. A. Dodge played the wedding march. A collation was served during the evening. The following day Mr. and Mrs. Jackson left for a trip to Digby and other points returning the next week to their future home in Clarence. The previous evening a number of girl friends called on the prospective bride leaving tokens of appreciation.

FLEMING—CHIPMAN

The Annapolis Spectator says: Cards were received here Wednesday of the wedding of a lady well known and popular with many of our readers. The announcement was from Mr. and Mrs. Geo. T. Chipman, of Winnipeg, that their sister, Miss Mary Lena, had been married to John Fleming, L. L. B., at Winnipeg on June 20 and would be at home after July 15 at Arrow River, Manitoba. The bride is a sister of Mrs. Frank Elliott, of Middleton and her home was formerly in Victoria. She had been a very successful teacher in the Consolidated School at Middleton and besides holding a high B license was instructor of domestic science. When in Annapolis Royal she was frequently the guest of her aunt, Mrs. Geo. G. King.

### PROF. HAMILTON'S WONDERFUL CURES

Testimonial of A. W. Salsman, Pastor for Hampton and Wilmot Mountain Churches

To the sick and afflicted I would strongly recommend the treatment of Professor Hamilton who has been residing at Hampton, Annapolis County, for several months. I have had the personal knowledge of the Professor's skill, both in his treatment of patients, with which I am personally acquainted, and myself also.

In the winter of 1919 I had a severe attack of Flu. Three months after having Flu I was attacked with mumps that left my nervous system in a very weakened condition. I am most grateful to be able to testify that after taking a treatment for a few times, I have almost fully recovered my normal condition again. Fifteen years ago, following an attack of typhoid my hearing became very much impaired. After consulting physicians, with no avail, I have been wonderfully benefited by being treated for deafness, by Professor Hamilton.

One great disadvantage the Professor has to labor under in relation to his work is the fact that most of his patients are those which have consulted physician after physician without avail and have been considered incurable.

I cannot speak too favorably in behalf of Professor Hamilton's skill in relation to myself, and also my observation of his work in general with a "cloud of witnesses."

Any person desiring further particulars about my knowledge of the many patients relieved and fully cured with whom I am personally acquainted, will receive further information by writing the undersigned.

luncheon was served at the bride's home. After refreshments the happy pair left amid the showers of confetti by automobile to Milford. Many gifts were received testifying to the popularity of the young couple.

All roads lead to Bear River Wednesday, July 21st.

### Plain Facts about Milk Routes

A team of horses costs about \$400, double harness \$100, a wagon \$75, making a total of \$575. A Ford Truck costs \$750 at Ford, Ont.

Government experiments have proved that the cost of feeding a horse is 8.7 cents per working hour, or 17.4 cents per team per hour. One team, if collecting milk, could not cover more than 30 miles a day. The cost for twelve hours would be \$2.09, or about seven cents a mile. The cost for gas and oil for a Ford Truck is only 4 1/2 cents a mile. The Ford Truck soon pays for itself in the reduced cost of operation.

A Ford Truck will cover at least 60 miles a day collecting milk or 250 miles on long hauls. It enables you to operate at a lower cost per mile and to cover twice as much territory as with horses.
