New Discovery by Accident

HAIR ON THE NECK, FACE, ARMS OR ANY PART OF THE PERSON
quickly removed and permanently removed with QUEEN'S ANTI-HAIR. It is a most wonderful discovery. It is not removed by accident, while compounding a solution, a part was accidentally spilled on the hand, and on washing afterward it was discovered that the hair was completely removed. It is perfectly harmless, and so simple any child can use it. Lay the hair over and apply for a few minutes, and the hair disappears as if by magic. No scientific discovery ever attained such wonderful results. Thousands who have been annoyed with hair on their FACE, NECK, and ARMS, attest its merits. It cannot fall, and the growth is high, so that upon hair removal they require one or more applications before all the roots are destroyed, although all hair will be removed at each application without the slightest pain or injury when applied or ever afterward. Young persons who find an embarrassing growth of hair coming can also use it. Harmless as water. Price of Queen's Anti-Hairing \$1. per bottle, sent in safety mailing boxes postage paid by us, (securely sealed from observation.) Send money or stamps by letter with full address written plainly.
