Bro. Creelman from Committee on Bye-Laws, reported as follows :---

The Committee on Bye-Laws report that they have examined the amendments to the Bye-Laws of Mayflower Division, and find them constitutionally correct.

The Committee have also had under their consideration the resolutions forwarded from the Mechanics' Division, making certain amendments in the Bye-Laws of said Division, and are of opinion that they contain nothing but what is in conformity with the Constitution of the Order of the S. of T., and therefore recommend the approval of the same.

All of which is respectfully submitted in L., P. and F.

(Signed)

SAMI. CREELMAN, Chairman. A. L. BLENKHORN, DAVID MCCURDY.

Bro. A. C. McDonald, from Committee on Communications, reported :---

The Committee on Communications beg leave to report, that they have examined the matters committed to them, namely, first a communication from Minas Division, No. 42, located at Wolfville, and secondly, a report from Recording Scribe of Grand Pré Division, No. 47, Lower Horton, and would respectfully recommend with respect to both Divisions, that some member of the Grand Division be deputed by the G. W. P. to visit said Divisions at as early a period as possible, for the purpose of reviving their drooping energies, and to assure them of the regret which this Division feels in the depressed state of the Order among them, and our desire to forward in every practicable way their interests as Divisions of our Order.

With respect to the last named Division, your Committee would further recommend that the *Grand Scribe* be enjoined immediately to forward to them the journal of the last quarterly proceedings of this Division.

All which is submitted in L., P. and F.
