"I inherit some tendency to Dyspepsia from my mother. I suffered two years in this way; consulted a number of doctors. They did me no good. I then used **Relieved in your August Flower** and it was just two days when I felt great relief. I soon got so that I could sleep and eat, and I felt that I was well. That was three years ago, and I am still first-class. I am never **Two Days.** without a bottle, and if I feel constipated the least particle a dose or two of August Flower does the work. The beauty of the medicine is, that you can stop the use of it without any bad effects on the system. Constipation While I was sick I felt everything it seemed to me a man could feel. I was of all men most miserable. I can say, in conclusion, that I believe August Flower will cure anyone of indigestion, if taken **Life of Misery with judgment.** A. M. THE Rev. A. Wilson, having returned from Ottawa, is open for engagement to supply pulpits. Address, 392 Markham Street, Toronto.

It is announced that Cookes Church, Toronto, will be opened for public worship on Sabbath, 15th May. Rev. Dr. John Hall of New York has consented to preach on the occasion.

THE Rev. Dr. Torrance, of Guelph, has resigned the positions of Inspector of the city public schools and Secretary of the Guelph Board of Education, which he has held for a great number of years.

DR. COCHRAN has received the following sums from the Colonial Committee of the Church of Scotland: £150 sterling for Home Missions, £50 sterling for Manitoba College, £50 sterling for Queen's College.

ON the afternoon of Monday week the Rev. J. C. Smith, B.D., delivered a very interesting and practical lecture before the students of the Guelph Business College, on the subject of "Strikes and the Working Classes."

THE ladies of Mount Zion Presbyterian Church, Thessalon, met recently for the purpose of forming a Ladies' Aid in connection with the Church, and elected the following officers: Mrs. R. Garson, president; Mrs. Dr. Baxter, vice president; Mrs. Glanville, treasurer; Mrs. Currie, secretary.

A VERY interesting service was held in Knox Church, St. Thomas, recently, when Messrs. Edward Rowland, John R. Campbell and D. M. Tait were ordained into the eldership of the Church. A large congregation was present. Mr. Rowland is an old resident of London, and was for many years preacher in St. Andrews Church there.

THE Rev. Ghosn Howie, Ph.D., gave an address to a large audience in Parkdale Presbyterian Church on the evening of the 13th inst., respecting his recent trip through his native land and Foreign Missions. His account of the Brumman Mission was interesting and encouraging. Dr. Howie is to be in St. Thomas on the 21st and 22nd.

THE Rev. D. J. Macdonnell writes to correct a misapprehension concerning the Augmentation Fund deficit. He says: "As a misleading statement has appeared in some newspapers to the effect that the deficiency in the Augmentation Fund has already been made up by a legacy, allow me to inform your readers that this is not the case. The fact is that after taking into account the bequest of the late Mrs. Nicholls and all the ordinary contributions expected from congregations up to 30th April, there is still a deficit of \$1,500 which must be made up by special subscriptions before the date named, if the grants are to be paid in full."

AT the semi-annual meeting of Cookes Church, Toronto, Christian Endeavour Society the following officers were elected for the ensuing half year: Miss B. Goodfellow, president; Robert McConnell and Charles Millar, vice-presidents; Miss L. Smith, treasurer; Miss M. Pennington, recording secretary; W. McCullough, corresponding secretary; Misses A. Daley, S. Hickok, L. Little, McFarlane, L. Patton, Messrs. R. Armstrong, A. Anderson, Nimmo, James Wilson, Waldeen, conveners of the various committees. THE annual report of Knox Church, Cornwall, has been printed in a pamphlet of ten pages. Full particulars are given by the Session, the Managers, the Sunday school, and several societies, of their work. The Session draw attention to the number of removals from town during the year, but their places were taken by as many new accessions. Families, 138; communicants, 292; baptisms, 20; marriages, 12; deaths, 12; Sunday school scholars, 290, exclusive of four union schools in the country under the superintendency of members of the congregation in the summer. Total contributions, \$4,117. Total for Schemes, \$200. Raised by Sunday school, \$255. Total debt on church, \$1,575. THE seventh annual meeting of the W.F.M.S. in connection with the Brockville Presbyterian was held at Morrisburg recently. A large number of friends and delegates were present at all the sessions, and the keenest interest manifested throughout. Everything was done for the comfort of the guests, and the hospitality of the good people of Morrisburg was unbounded. Twenty-five Auxiliaries and fourteen Mission Bands were reported; membership, 647, of whom seventy are members of general society and four life members. The reports show the Society to be in a prosperous condition, the members steadily advancing in a knowledge of the work and interest in it. At the business meeting the following officers were elected: Mrs. Blair, president; Mrs. Kellock, Mrs. McAlister, Mrs. J. Armstrong, vice presidents; Mrs. Dowsley, corresponding secretary; Mrs. J. M. Gill, treasurer. Mrs. Kellock was appointed a delegate to attend the annual meeting of the parent Society in May, to be held in Toronto. A pleasing feature of the afternoon session was the reception of representatives from the two sister Societies, English and Methodist, both of whom had very fine and encouraging reports. Mrs. J. Dowsley, corresponding secretary, was presented with a certificate for life membership. The evening session was very largely attended. Rev. Mr. Cameron, Brockville, and Mr. Moodie, North Williamsburg, addressed the meeting. The choir rendered admir-

able music. Rev. Bros. Scott and Potter sang solos, which were highly appreciated. A most enjoyable tea was served in the basement by the ladies, which gave the Presbytery and Presbyterian an opportunity for a social visit together. Twelve hundred dollars is the sum contributed, an increase of \$250 over last year. Of this sum \$50 was bequeathed to the Winchester Auxiliary by one of their members, the late Miss Minnie Justus, "whose dying testimony so bright and clear was accompanied by this noble gift to help to send the light which guided her own footsteps in life to the nations who walk in darkness."

PRESBYTERY OF TORONTO.—This Presbytery met on Tuesday, 5th April, at 10 a.m. Communications were read from Dr. Kellogg, and from Rev. J. Argo, stating that it would not be possible for them to attend as commissioners at the next General Assembly, and Dr. Gregg and Mr. Milligan were appointed in their places. A communication was read from the Presbytery of Winnipeg to say that it was their intention to apply to the next General Assembly for leave to receive Rev. I. W. Nelson of the Presbyterian Church in the United States as a minister of the Presbyterian Church in Canada. Rev. J. Grant presented the report of the committee appointed to consider the remit sent down from General Assembly on the distribution of Probationers, recommending that the Interim Act now in operation be the one adopted and that Presbyteries be enjoined by the General Assembly to carry out the instructions in reference to regularly reporting all their vacancies. This report was adopted on the decision of the Presbytery. The following students, members of the graduating class in Knox College, appeared before Presbytery desiring to be taken on preliminary trials, with a view to recommendation for licensure: Messrs. J. K. Arnold, B. A., J. S. Davidson, B. A., W. Gauld, B. A., W. H. Grant, B. A., W. H. Johnston, B. A., A. Ianjerson, N. Lindsay, B. A., T. C. McLachlan, B. A., P. McNabb, J. McNairn, B. A., A. E. Neilly, David Speers, B. A., W. A. Wyllie, B. A. On certification by Dr. Gregg that these students had completed the curriculum of Knox College, a committee was appointed to confer with them, who subsequently reported in favour of their recommendation by Presbytery which was cordially assented to. The scheme for the regular visitation by Presbytery of all the congregations and mission stations within the bounds of which notice was given at last meeting of Presbytery was presented by Dr. McTavish and placed in the hands of a committee of seven ministers and three elders who are to prepare and submit a report at the next regular meeting of Presbytery. A most encouraging report was presented from the Toronto Women's Presbyterial Society, in which it was stated that the sum of \$6,112.08 had been raised during the past year, and there were now in connection with the Society forty-four auxiliaries and twenty-four mission bands, with a total membership of 2,425. The Presbytery in receiving the report expressed its very great pleasure and satisfaction at the encouraging progress of the work of the Society, and its cordial approval of the work done. A call from the congregation of Knox Church, Embro, addressed to the Rev. G. C. Patterson, minister of St. Enoch's congregation, Toronto, with the documents pertaining thereto was presented, and Rev. J. S. Hardie, of Ayr, was heard in behalf of the Presbytery of Paris, and Messrs. Mackay and Murray in behalf of the congregation of Knox Church, Embro, in support of the call. After Messrs. MacLellan, Murdoch, Selby and Mills had been heard in behalf of the congregation of St. Enoch's the call was placed in the hands of Rev. Mr. Patterson who stated that after mature consideration he had decided to accept the same. It was agreed to grant the translation asked for by the Presbytery of Paris, and to declare the pulpit of St. Enoch's vacant on the last Sabbath in April, appointing Mr. Milligan *interim* Moderator of Session. At the afternoon meeting reports were presented from the Presbytery's Committees on Sabbath Observance, on the State of Religion and on Temperance, by Revs. Dr. Parsons, W. Amos and W. Frizzell respectively, which were adopted as read and ordered to be transmitted to the Synod's corresponding committees. Dr. Robertson, Superintendent of Missions in the North-West, and Rev. Mr. Herdman, of Calgary, then addressed the Presbytery upon the work carried on in the West, and stated that while progress is being made, yet it scarcely keeps pace with the need of the field. The great need is for ordained men to occupy the fields, especially in the far West, but there is some hesitation in asking for them in the fear of incurring heavier expense. Presbytery now adjourned to meet again in the same place on the third day of May next, at 10 a.m.—R. MONTEITH, Pres. Clerk.

PRESBYTERY OF SARINIA.—This Presbytery held its usual quarterly meeting in St. Andrews Church, Sarin, on Tuesday, March 15. Mr. Graham, Moderator, in the chair. Elders' commissions were called for and received from various congregations. Such of the representatives as were present took their seats as members of the Court. The Presbytery unanimously appointed Mr. Cuthbertson Moderator for the next six months, Mr. Tibb being appointed Clerk in his place *pro tem*. The Presbytery took up consideration of the General Assembly remit on the question of a paid secretary for the Foreign Mission Committee, when, after long discussion, it was agreed, on motion of Mr. Pritchard, seconded by Mr. Jordan, of Strathroy, that instead of appointing a secretary for the Foreign Mission work, the duties of secretary be given to S. J. Taylor in connection with the French Evangelization secretaryship. The Presbytery adjourned until half-past one o'clock. The Presbytery proceeded to elect delegates to the General Assembly. Messrs. Leitch and G. B. Robson were appointed scrutineers. The following members were elected by ballot: Messrs. George Cuthbertson, James McMillan and John McKinnon, B.D., in order of the roll, and Messrs. Leitch and Beemer. Messrs. William Symington,

George Leys, Hugh Watson, Robert Rae, and G. B. Robson. Mr. McLennan, minister, and Mr. Rae, elder, were appointed members of the Synod's Committee on Bills and Overtures. The next regular meeting was appointed to be held in Sarin on the first Wednesday in July at ten o'clock, a.m. The Rev. Mr. Currie, Convener of the Presbytery's Home Mission Committee, gave in the half-yearly report which was received, from 1st October, 1891, to 1st March, 1892. In terms of the reports of deputations appointment for the ensuing year was made for congregations and mission stations. It was agreed also to ask for the services of Mr. Uzzell and Mr. McKelvie to supply at Marthaville and Inwood stations. The report was adopted. In terms of a petition from Courtwright for supply, the following deputation was appointed, namely, the Moderator, Dr. Thompson and Mr. Leitch, ministers, and Messrs. D. Gray and Samuel Cole, elders, to visit the field in and around Courtwright and Mooretown, with a view of effectually granting supply so as to include Courtwright. Messrs. Currie, Jordan and Graham, ministers, and Messrs. Ireland and Rae, elders, were appointed to visit Adelaide and Arkona with a view of arranging services. Mr. McLennan, Convener of the Committee on the State of Religion, gave in an admirable report, which was read and adopted. Mr. Leitch presented the report of the Committee on Temperance, and Mr. Tibb the report of the Committee on Sabbath Schools. These reports were ordered to be transmitted to the Conveners of the Synod's Committee on these questions. In terms of Mr. Strachan's request to be taken on trial for license, the Presbytery took the steps directed by the General Assembly, and resolved to make application to the Synod of Hamilton and London for leave to take Mr. Strachan on trial for license. The Presbytery resolved to postpone the discussion of the various reports till the meeting in July. In terms of Mr. McKibbin's request, Mr. McMillan was appointed Moderator of the Session of Inwood and Brooke.—GEORGE CUTHBERTSON, Pres. Clerk.

PRESBYTERY OF GUELPH.—This Presbytery met in Knox Church, Galt, on the 15th and 16th of March. The following commissioners were appointed to the General Assembly, to meet in Montreal in June next: Ministers: Messrs. J. C. Smith, B.D., Dr. Dickson, H. Edmison, M.A., H. Norris and R. J. Beattie, by rotation; Dr. Wardrope and Dr. Torrance, by election. Ruling elders: Messrs. George Keith, W. R. Scott, James McDonald, Robert Brooks and Robert Amos, by rotation, and Messrs. Charles Davidson and William Slater, by election. Mr. Charles Davidson was appointed a member and Convener of the Committee on Finance. Some time was spent in going over the statistical and financial returns from congregations and stations, in comparing the amounts for the Schemes of the Church reported with the amounts applied for and given in circulars which had been issued before the end of last year and other matters designed to show how far the enterprises in which the Church was engaged were engaging the sympathy and liberality of members and adherents. It was afterwards resolved to return to the subject at the meeting in September, and spend at least an hour upon it, and it was referred to the Committee on Systematic Beneficence, with the name of Charles Davidson added, to consider and bring forward any points and items calling for special observation. Auditors for the treasurer's books were appointed, with instructions to report at next meeting. Reports were received from delegates appointed to visit aid-receiving congregations and stations. They recommended that a continuance of the grants for Hawkesville and Linwood, and for Drayton be asked from the Home Mission Committee. No further grant in the meantime was asked for Cumnock. The committee appointed to prepare minutes on the translation of Mr. Winchester from St. Andrews Church, Berlin, to the Presbytery of Columbia, to enter
