### Athletics.

The annual meeting of the Athletic Association was held Easter Monday morning, for the purpose of receiving reports and of electing officers for the coming season. President J. J. Cox, occupied the chair. The secretary's report was a magnificent effort and the members listened with much satisfaction to the records of their worthy representatives in the different lines of sport. The treasurer's books showed the association to be in a flourishing financial condition, a fact which proves that Canadian Rugby as it is played under the auspices of the Quebec Rugby Union is pleasing to the general public. The election of officers was next taken up, the meeting seeing it fit to return all the available members of the old executive, a fact which proves that the work performed by this body during the past year was satisfactory to each and every member of the Association. Before the adjournment of the meeting a vote of thanks for past services was tendered to Messrs. Carey and Dowd. Both these gentlemen made a fitting answer and expressed their sincerest hopes for the future welfare of the O. U. A. A. with the dear old banner of garnet and grey ever floating high in victory. A hearty V-A-R. brought the meeting to a close.

The election of officers resulted as follows.

Honorary President	Ald. B. Slattery
President,	Mr. J. J. Cox '06
