

What a Treat for a Business Man

after the work and worry of the day, to have an evening of music.

Amusements may pall; books may lose their charm; but music brings rest and relaxation to mind and body.

New Scale Williams Player Piano

brings music to you, instead of sending you to seek the music outside of your home.

You can play this instrument yourself—whenever you like—and whatever music you like.

With the New Scale Williams Player Piano you have the world's masterpieces—the rousing marches—the seductive waltzes—the “old songs” and the new—literally everything worth hearing and playing.

Our purchase plan makes it easy for you to buy one. Write us for particulars and also ask for booklet. Cut out the coupon and mail to us to-day.
