**DAME EXPERIENCE**

Has convinced many that to use any of the substitutes offered for the only sure and painless corn cure is attended with danger. Get always and use none other than Putnam's Painless Corn Extractor, at druggists.

'This isn't a menagerie,' sharply observed an irascible woman to a man who was trying to force his way through the crowd at the door of the concert room. 'No, I suppose not,' returned the man, 'or they wouldn't leave any of the animals to block up the entrance.'

One of the reasons why Scott's Emulsion has such a large sale is, because it is the best. Dr. W. H. Cameron, Halifax, N.S., says: "I have prescribed Scott's Emulsion of Cod Liver Oil, with Hypophosphites, for the past two years, and found it more agreeable to the stomach and have better results from its use than any other preparation of the kind I have ever used." Sold by all Druggists, 50c. and \$1.00.

Little Jenny belonged to a fashionable set. 'Here, Jenny,' said her father, 'here's a new doll.' 'Oh, father, that's no good; take it away they haven't worn those things for a month.'

Reward offered to any person showing a case of headache, tooth-ache, cramp, bruise, sprain, cough, cold, croup, quinsy, hoarseness, burns, or numbness of the limbs that can not be cured by Minard's Liniment. It is good as a gargle in diphtheria and ulcerated throat, and is perfectly harmless when given according to directions.

Miss V.: 'You seem to be the best man at all the weddin. Mr. B. When are you going to take a leading part yourself?' Mr. — 'Oh, there are as good fish in the river as came out of it.' Miss V.: 'Yes, but don't you think the bait is getting a little stale?'

Gents.—I am now sixty years old, have been quite bald, and have worn a wig for over forty 40 years. About a year ago I heard of the wonderful hair-producing qualities of Minard's Liniment. I have used it but a few months and now have a beautiful growth of hair.
