

COMMON SENSE IN MEDICINE.

(Montreal Star, January 5, 1881.) Dr. M. Souville, the Parisian physician and inventor of the 'Spirimeter' for the scientific treatment of diseases of the lungs and air passages, who recently took up his residence among us, seems to be meeting with excellent success. Already the doctor has had upwards of a hundred patients, who have given his system a trial and so far as we have learned, with both satisfaction and benefit. Doctor Souville makes a departure from the usual methods of treating diseases of the air passages. He contends that the proper mode of treating them is by inhalation and absorption, and at this upsetting drug into the stomach, and at this upsetting drug into the stomach, and at this upsetting drug into the stomach...

It matters not how often your advisers tell you that diseases such as bronchitis, asthma and catarrh are incurable; read the following notices and judge for yourselves:—

DEAR DOCTOR, I have great pleasure in making public my experience of the beneficial effects I have derived from the use of your Catarrh and Bronchitis, which I was afflicted with for several years; my health is now wonderfully improved since I used your remedies. Your truly, C. J. LEL, Dorchester street, To Dr. M. Souville, 13 Phillips' Square, Montreal.

MONTREAL, January 21st, 1881. MY DEAR SIR, I am very pleased to bear testimony to your mode of treating throat diseases. My little girl, eleven years of age, has had various attacks of bronchitis. Last fall she had one of these attacks and was confined to the house for some seven or eight weeks. After using one of your Spirimeters, with the medicine accompanying it, she was completely cured within two weeks after commencing to use the instrument, she was quite better, and has been a very well ever since, now about two months. I am, your truly, R. L. GAULT, To Dr. M. Souville, Montreal.

MONTREAL, January, 1881. DEAR SIR, I am very pleased to give you this testimony of the benefits derived from the use of your instrument, the Spirimeter, and the remedies accompanying it for my disease. I was three years troubled with catarrh in the head, loss of voice and bronchitis, and I am happy to say that I am now quite cured, and have to thank you for it by the use of your Spirimeter and remedies. Yours respectfully, S. Hillon, Montreal.

(G26)

MOTHERS! MOTHERS! MOTHERS!! Your rest is disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle. [G26]

DR. HARVEY'S ANTI-BILIOUS AND PURGATIVE PILLS, have been gotten up on SCIENTIFIC PRINCIPLES, and any one using them, at especially this season of the year, will find in them the best spring medicine obtainable.

CHILDREN WHO PICK THEIR NOSES are most generally afflicted with worms. How they get into their little stomachs, it may be difficult to know, but it is easy to get them out by using BROWN'S VERMIFUGE COMBINATION or Worm Lozenges. They are pleasant to take; children like them, but the worms don't. 34-4

IMPORTANT TO MOTHERS. — MRS. WINSLOW'S SOOTHING SYRUP, for all diseases with which children are afflicted, is a certain remedy. It allays all pain, softens the gums, reduces inflammation, sure to regulate the bowels, and cures wind colic. Depend upon it, mothers, it will relieve the little sufferer immediately. 34-4

A TERRIBLE THING IS A PAIN IN the small of the back; it may come from disordered kidneys, from a cold or a wrench. But in all cases, BROWN'S HOUSEHOLD PANACEA and Family Liniment, well rubbed in, will afford instantaneous relief, and ultimately remove the cause of the trouble. 34-4

Josh Billings remarks that "Those who are too proud to enquire what a thing costs when they buy it, are the first ones to find fault when they come to pay for it." "Too true, too true, Josh; our neighbor is troubled with some arrangement of the stomach; it may be biliousness or dyspepsia; he calls in the aid of a doctor. Our neighbor is too proud to ask the probable cost of getting cured, and is treated for days, after which a large bill is sent in, and great growling and grumbling is the result. The doctor's bill need not be paid if Baxter's Mandrake Bitters are used. The result will be great joy and satisfaction.

HOLLOWAY'S OINTMENT AND PILLS.—A Cure for Abscesses, Elixs, Fistulas, and Sores of every description.—The very satisfactory results arising from the use of this invaluable Ointment, when the patients have been suffering from any of the above disorders, have induced the Medical Profession to introduce it into the hospitals and their private practice, and in many instances when the sufferer was considered incurable. Holloway's Ointment, in conjunction with his Pills, healed the most desperate cases. They are also unequalled for the cure of scrofula, scurvy, and all diseases of the skin, and the cures they effect are not temporary or imperfect, for by their purifying powers they bring about a marvellous and most beneficial change in the whole system, and enable it, with renovated powers, to resist the approach of all future attacks of the same disease.

An impertinent top made fun of an old farmer's large nose, mouth and chin, but the old farmer silenced him by saying, "Your nose, mouth and chin all had to be made small so 'at there'd be material left for your cheek."

An interview with farmers from all parts of the Ottawa Valley shows that the fall wheat crop has not been injured to any great extent by the recent severe weather. The area sown in the Ottawa Valley this season is unusually large.

Mothers who are startled at the hour of midnight by that ominous hoarse cough of your little ones, what would you not give for a prompt and certain means of relief from that dread destroyer of your children, Croup? Hop Bitters is that remedy, and its proprietors are being blessed by thousands who have been saved and cured by it. Will you try it? See another column. —Eagle.]

A PEACEABLE OFFER. PARIS, April 12.—The Voltaire, to-day, publishes a singular despatch from its Philadelphia correspondent, stating that the Tunisian Generals had offered Gen. Ritter an indemnity of 300,000 francs, on condition that the forward movement of the French troops should be stopped. Gambetta, of course, declined.

A cough is usually the effort of Nature to expel some morbid matter irritating the air passages of the lungs. It may however, proceed from an inflamed or irritable condition of the throat, a slight rash or humor often being perceptible. Let the cause be what it may, the remedy should be Hagyard's Pectoral Balsam. A purely vegetable Balsamic throat and lung healer. For sale by all dealers in medicine, at 25 cents per bottle. 36-2

W. W. McLELLAN, LYN P. O., writes:—"I was afflicted with Rheumatism, and had given up all hopes of a cure. By chance I saw Dr. THOMAS' ELECTRIC OIL recommended. I immediately sent (fifty miles) and purchased four bottles, and with only two applications I was able to get around, and although I have not used one bottle, I am nearly well. The other three bottles I gave round to my neighbors, and I have had so many calls for more, that I feel bound to relieve the afflicted by writing to you for a supply."

For Bronchial, Asthmatic and Pulmonary Complaints, "Hagyard's Buxonial Tonic" manifest remarkable curative properties. 36-2

MISSING.—A resident of Chatham, Ontario, is missing from his home since the first of April. His name is Richard Miller, 65 years of age, tall and slim, grey hair, beard around the face, trimmed short, no mustache, active walker, very erect. When last seen he wore a black broadcloth suit, soft, well brimmed felt hat, long dark tweed waterproof overcoat, and had a gold ring on one finger of the right hand. Anybody knowing of his whereabouts would do well to communicate with Chief Paradi, Montreal.
