

# IATROL

... An INODOROUS and NON-TOXIC ANTISEPTIC POWDER obtained synthetically from certain coal tar derivatives.....

This preparation is a powerful cicatrizing and germicide, superior to CARBOLIC ACID, BICHLORIDE OF MERCURY, and especially IODOFORM in that it is without odor, and is free from all toxic and irritating properties.

IATROL is a desideratum in antiseptic surgery, and may be safely used in the treatment of the EYE, EAR, NOSE and THROAT, as well as in VAGINAL, RECTAL and UTERINE AFFECTIONS. It is successfully used in SKIN DISEASES of all kinds, for SYPHILITIC and other ULCERS; in short, all conditions where

Iodoform is usually applied. Put up in one ounce screw-cap glass jars with sprinkler top. **PRICE, \$1.00 PER OUNCE.**

Samples and literature will be mailed FREE of charge to any physician applying to the

CLINTON PHARMACEUTICAL CO.

• SYRACUSE, N.Y.
