MONTREAL.**Mercantile Summary.**

WHEN a man goes down the general verdict is that he has gone up.—*Dallas News.*

MANY are slow to learn that in all lines of trade small gains realized on many things amount to more in the end than a few big profits.—*San Francisco Grocer.*

FARMER Eli.—"This paper says the visible supply o' peanuts this year is 400,000 bushels, an' I'm goin' down to see them peanuts ef I never go nowhere again."—*Puck.*

ACCORDING to the New York Shipping List, the general business situation continues far from favorable. General trade throughout the United States is, as a rule, far behind what it usually is at this time of the year.

THE value of Canadian products exported to the United States from the district of Hamilton during May last was only \$17,007. The principal item was hides and skins, \$7,329; returned American goods, \$3,859; sandstone, \$2,024; potatoes, boxes, lumber, cedar posts and machinery.

Two shoddy cloth peddlers, accompanied by two women, are reported by western exchanges to be working their crooked game in Marquette, Manitoba. They have victimized several farmers around Oak River, Minnedosa, Newdale, Basswood, Creeford and Glendale, taking \$50 to \$100 from some of them for worthless goods.

ONE of the pioneer wholesale merchants of this city, in the person of Mr. Thos. Lailey, died at his residence on Wednesday last. For some years past he has lived in retirement from active business, enjoying a comfortable competency from the dry goods business which he founded, and which is now known as Lailey, Watson & Co.

DRESDEN, Ont., is to have an establishment for the canning of all sorts of fruits and vegetables. A joint stock company has been formed, with the following officers: President, J. W. Sharpe; directors, Messrs. Turner and Waddell; secretary, J. H. Burnie; treasurer, C. P. Watson. The company will have a capital of \$10,000.

AN explanation is made with respect to the assignment of Thos. Cottingham, a harness maker of Rapid City, which may be stated. He gave a chattel mortgage to run, he thought, for six and twelve months, but finds it foreclosed at the end of one month. To save other creditors he has assigned, which step may be revoked if the chattel mortgage is arranged.
