The Dominion Savings and Investment Society has declared a dividend for the current half-year at the annual rate of six per cent.

The Hamilton Times understands that all the retail druggists of the city are authorized to sell most of the leading patent medicines at greatly reduced prices.

A DECLARATION of incorporation of the Citizens' Light and Power Company has been filed in the Tutelle office, Montreal, by the president, Thos. T. Drummond.

A WINNIPEG firm received a carload of soap which was taken into stock seven days after shipment from the factory in Hamilton. The Free Press notes this as indicating the efficiency of the C. P. R. service.

MR. B. E. WALKER, General Manager of the Bank of Commerce, attended a recent Woodstock cheese market. The Sentinel-Review man found him to be greatly interested in seeing how business was done at the dairy centre of the West. "Few financial magnates follow more closely the condition of the agricultural industry than Mr. Walker, and fewer still know so much about it. He was anxious to know the prospects of butter making, and the result of experiments in winter dairying. Bankers know that the prosperity of the country depends in the last resort on agriculture."
