

1404(C), financial services as defined in Article 1706 and transportation services that are not otherwise conferred or imposed pursuant to any other provision of this Agreement and its annexes; or

- b) affecting in any way the application of measures relating to the provision of tourism-related services of a financial nature.

#### **Article 4: Consultation**

The Parties shall consult at least once a year to:

- a) identify and seek to eliminate impediments to trade in tourism services; and
- b) identify ways to facilitate and increase tourism between the Parties.
