

*Speech from the Throne*

**Mr. Riis:** Yes, Mr. Speaker, I am nearly at the end of my remarks.

**Mr. Gauthier:** Mr. Speaker, I rise on a point of order.

**Mr. Speaker:** The Hon. Member for Ottawa—Vanier is rising on a point of order.

[Translation]

**Mr. Gauthier:** I would ask the Chair to read the motion now under consideration.

[English]

**Mr. Speaker:** Perhaps I can assist the Hon. Member. The motion—and I think the Hon. Member will know why I made some reference to relevance—is that the speech of Her Excellency, delivered this day from the Throne to both Houses of Parliament, be taken into consideration later this day.

**Mr. Gauthier:** Later this day. Thank you, Mr. Speaker.

**Mr. Riis:** Mr. Speaker, I want to conclude my remarks by indicating clearly that a number of concerns were registered.

The initiative now that the Government has failed to take in terms of protecting the Wheat Board, the whole matter of the shakes and shingles issue, the fact that the Americans have taken this initiative and that there has been virtually no response from the Government in reacting to that very punitive tariff have encouraged my Leader to proceed and ask for a response from the Right Hon. Prime Minister on what else the Government plans to do regarding the trade initiative.

**Mr. Clark (Yellowhead):** Where is Bob White?

**Mr. Riis:** In closing, Mr. Speaker, we were hoping for some more detailed response from the Prime Minister before we began the debate in reply to the Throne Speech, but in light of the traditions of the House we will wrap up the debate at this time and proceed to the vote.

**Mr. Speaker:** Is it the pleasure of the House to adopt the motion?

**Some Hon. Members:** Agreed.

**Some Hon. Members:** No.

**Mr. Speaker:** All those in favour of the motion will please say yea.

**Some Hon. Members:** Yea.

**Mr. Speaker:** All those opposed to the motion will please say nay.

**Some Hon. Members:** Nay.

**Mr. Speaker:** In my opinion the yeas have it.

*And more than five Members having risen:*

**Mr. Speaker:** Call in the Members.

The House divided on the motion (Mr. Mulroney), which was agreed to on the following division:

● (1650)

*(Division No. 1)*
